## Certified Medication Technician Summer Session

(573) 392-8060 ext. 1504  
112 S. Pine Street  
Eldon, MO 65026  
Register Today!

Certified Medication Technicians work in long term care facilities, monitoring and passing medications to patients. Qualified students must have their CNA with 6 months of experience. When the CMT course is complete the Insulin Certification class begins.

### REQUIREMENTS (Documentation MUST be provided):

1. High School diploma or General Education Development (GED) Certificate
2. State certified nurse aid with a minimum of six months nurse aid experience
3. Letter of reference from employer (administrator or D.O.N.) or previous employer
4. Register with the Missouri Department of Health and Senior Services by completing and following the instructions on the Worker Registration form, only if you are not already registered.
5. Take the D level of the Test of Adult Basic Education (TABE). You must score a minimum score of 8.9 on Vocabulary and Comprehension tests and a minimum score of 7.0 on Mathematics Concepts and Application tests. This must be done prior to class starting.

CMT Class Schedule: June 5, 6, 12, 14, 19, 21, 26, 28

Insulin Class Schedule: July 3 and 5

Week one will meet on Tues and Wed, the rest of the classes will meet on Tues and Thurs. All classes meet from 8:00 a.m. to 3 p.m.

### COST:

Certified Medication Technician: \$525.00\*, (Includes Book)

A \$100 non-refundable deposit is required as well as a completed application to be considered enrolled. Space is limited to the first twelve received.

Insulin Certification \$75.00 (Includes Book)
