

2013-2014 Yearbook

Senior Photo

Seniors,

For the senior picture printed in the class section of the yearbook, some students and parents wish to have a photo taken by an independent professional photographer. In order to ascertain your photo will fit the design we create for the senior page, please follow these necessary requirements. Photos that fail to adhere to these guidelines will not be accepted.

Submission Types

- Send electronic versions to Emily_Miller@mail.eldon.k12.mo.us
Include the student's first and last name.
- Submit print copies to Ms. Miller. Using a pencil print the student's name on the back. They will be returned by the end of the year.

Photo Specifications

- Background: not distracting, pay attention to the crop
- Sizing: chin to hairline should be approximately 1" or more
- Medium colors – no extremes
- **Head and shoulders pose only in a sitting portrait position. No laying poses will be accepted.**
- **No hands next to the student's face or other props in the photo**

Having a senior photo by an independent photographer is strictly voluntary. In the event that a photo is not submitted, the school photo taken by LifeTouch at the beginning of the year will be used.

Photos must be received by December 9
