Strengths:

We utilize Wonders, Go Math and I-ready. All of those programs provide quality curriculum. Our teachers have an hour every Wednesday to coordinate instructional activities.

Weaknesses:

We started a new communication arts program this year called Wonders. Our teachers have worked together to make it the best that it can be. We will continue to adjust to make sure that we are teaching it effectively.

Indicate needs related to strengths and weaknesses:

The district will continue to focus on implementing WONDERS curriculum with fidelity.

- Student discipline policy

Summarize the analysis of data regarding **school context and organization**:

Strengths:

We give staff surveys every two years. We analyze that data and make the necessary changes. This has been very positive with the staff.

Weaknesses:

Our only weakness identified is that we have 18 students in preschool with a teacher and a paraprofessional. Our preschool teachers would like to limit that number to fifteen but that would have more students on the waiting list.

Indicate needs related to strengths and weaknesses:

We will provide better training for our paraprofessionals to help with the students in our preschool program.

NEEDS ASSESSMENT: IDENTIFYING PRIORITIES

"In most schools, conducting a comprehensive needs assessment will result in the identification of a large number of issues that could be addressed to improve the achievement of students. However, no school should attempt to address every identified need in a single year. Most planning experts suggest that schools prioritize their major issues and address no more than three of the most important..." (Designing Schoolwide Programs Non-Regulatory Guidance, March 2006)

List and number, in order of priority, the critical needs identified in the school profile.
