

South Elementary School

Another semester has come and gone. As we reflect on the time we have shared with our South School families and friends we are truly blessed.

We have created lasting memories throughout the first semester. We were ecstatic to document our journey through South School on our Facebook page.

We are looking forward to seeing the growth of our students throughout second semester. With the commitment between school and home, we know 2018 holds great things for South!

Communication Arts

South School: 75% State Average: 62.2%

Reading Rally!

Students attended a reading rally to be inspired to reach their reading goal for the end of 2nd quarter. Students watched an interactive reading of *The Mitten* by staff members. Students were able to see the fun they could have during the Reindeer Games and learned a new song written by South's music teacher, Mrs. Bryant.

Reindeer Games!

Students that met their reading goal were able to attend the Reindeer Games. Students were able to listen to guest reader and enjoy hot chocolate, create a snowman craft, and play Minute to Win it games. We are so proud of all our students who put first things first and met their reading goal for 2nd quarter! We are looking forward to seeing all our students do it again next quarter.

Randy Nadler Visits South School

Randy Nadler was excited to share his travels to Thailand with our Kindergarten-Third grade students at South School.

Ask your child about one way Thailand is similar and different from Eldon.
