

#### DEDICATION

We, the members of the Referette staff of 1947-1948, hereby dedicate this issue to the citizens of Eldon.

It is through the co-operation of these people that our school has attained the high standing that it has.

We are happy to be able to express our appreciation in this way.

OUR SCHOOL SUPERINTENDENT  
Glenn F. Leslie B.S., M.E., Pa. D.

Through the constant work and attention of our superintendent, our school has maintained a high rating in times that have been difficult for schools. He has been in the Elton school system for the past seven years and has given unstintingly of his service during that time. The faculty, students, and citizens of Elton join in paying tribute to "Mr. Superintendent."
