

To the spirit of the Mustang--a spirit of fiery vigor; a spirit picturesque in skillfully resisting mastery; a spirit exhibiting a versatility that makes for intelligent adaptability; a spirit hardy and enduring that meets every challenge; a moving spirit that permeates all who pass through the halls of Eldon High - School giving to each that bright spark of life that inspires tireless and courageous endeavor.

May this spirit never vanish. May it be ever present that we may see "the vision of the world and all the wonders that would be."
