

Each year, as it comes to a close, holds different memories for each of us. As this year comes to a close at Eldon High School we look forward to something different in the future. For the Freshman, it will be his first year to come to E. H. S. For the Sophomore, it is just another summer vacation to anticipate. The Junior sees it as his last summer vacation while still a student at Eldon High School. For the Senior, it is the final "good-bye." For all, it is the end of another year.

The staff of the 1958-'59 REFERET has attempted to record some of these memories in this yearbook. Follow the train as it takes you through this record of memories.
