*Students show their school spirit by cheering for the Lady Mustang basketball team as they play Helias.*

## Students have success in variety of areas

Everywhere you look Eldon High School students are striving to be the best in everything they do. Whether it's trying to do good on a test, perform well in an athletic event, or just getting out of bed in the morning to come to school, students at EHS are **Designed to Perform**.

Students here at EHS are characterized by their hard work and dedication in achieving each of their individual goals. These efforts have been shown through participation in sports and various organizations. Student Council hosted the district meeting when approximately 300 students from Central Missouri met in Eldon. For the first time the Maroon and Gold squad cheerleaders competed at the state level. AHS hosted Simona Pusceddu from Italy. The blood drive hosted by NHS was once again a huge success. There was a total of 68 pints of blood collected. The sophomore class this year made a great effort in their food drive to help out those less fortunate during the holiday season. The Lady Mustangs volleyball team went to state for the seventh consecutive year. Eldon now holds the record for most returned trips to state.

While riding in the homecoming parade, junior Geoff Jones shows off his class spirit. The junior class took first place in the class competitions for the second consecutive year.

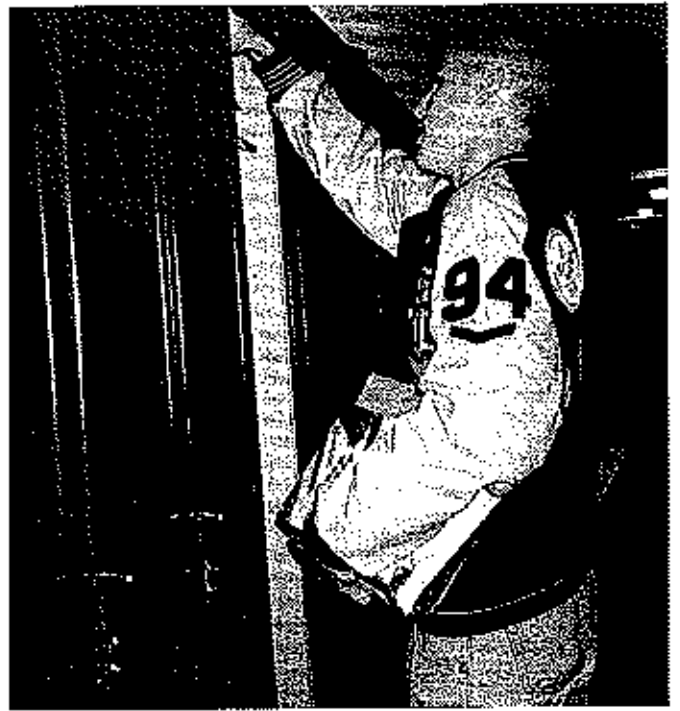

Senior, Laudon Alberfson shows interest in an upcoming lab assignment in foods class.

Senior Jennifer Lovelace shows her performing talents by entertaining the crowd as a clown at the Homecoming parade.

Freshmen Heather Perkin and Nikki Hills stop to pose for a picture during their study hall in the cafeteria.

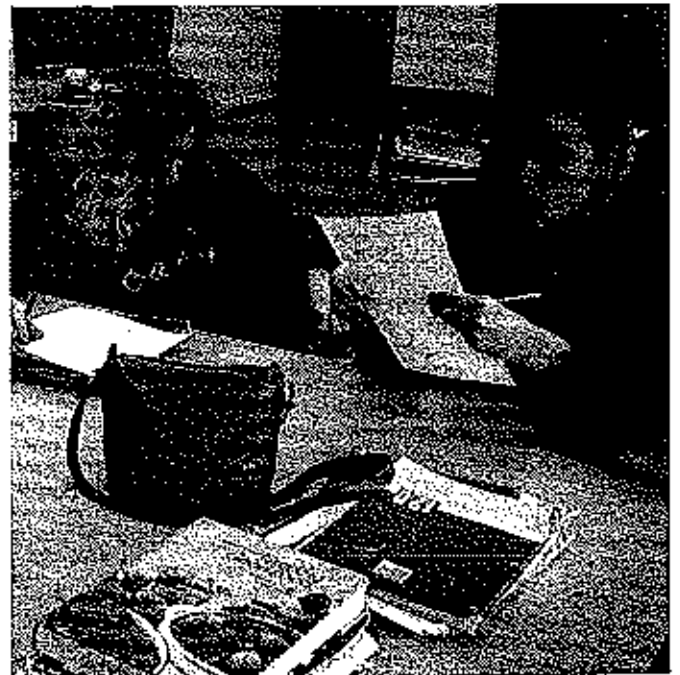

With just a few seconds left before the bell rings, junior Tony Pace rushes to get a book out of his locker.

assign-

Sophomore Jason McCargur and senior Marty Rush work hard on the typewriter showing they are Designed to Perform.

Juniors Deanna Schaefer and Kerry Cox study hard for an upcoming test in foods class.

## How EHS Students Spend Their Summer

Yes! It's finally here! These are some of the words that can be heard by students when the final bell rings on the last day of school. Many students spend their summers working, whether it's at the lake or just here in town. Still yet, others spend their time relaxing at home or spending time at the pool. No matter what they're doing, you can always see EHS students having fun. Students look forward to summer because of vacations they may be taking or for the simple fact that they know they don't have to wake up for school the next morning.

# The Life of an EHS Student

Eldon High School has a very diverse and unique student body. There is no set stereotype for our students, everyone expresses themselves in their own way. There are always students who will agree with whatever their friends have to say about an issue, but most of the students in Eldon are willing to voice their own opinion. This year there were several important events in the world that had an effect on all of us. Quite a few individ-

uals helped with campaigns of political figures, this along with other activities show the opinion of the student body. This demonstrates that students are also interested in the current events that are taking place throughout the world. World issues are just now starting to effect us and from this day on they will have a bigger role in our lives.

## Survey Says ...

What was your most embarrassing moment?

"My most embarrassing moment was when I had to tell what fruckles on a skunk's butt look like during Ag class."

- Freshman Melissa Skouby

"One night while cheering at a game in Jefferson City I realized half way through the game that I forgot to wear my bloomers."

- Senior Gwen Morris

"During the seventh grade outdoor education camp Jody Hoffman pulled down my pants in front of the whole class."

- Sophomore Nichole Dunstan

The first time I drove a stick shift my truck had been parked in the garage. I dropped the clutch too fast and it jumped out of the garage, almost hitting Steve.

- Junior Erik Vandoyt

"After a swim meet I was at Dairy Queen and a friend of mine had an sundae I wanted to try. I got my ice-cream and dipped mine into hers and she turned around and it wasn't my friend."

- Senior Jennifer Pittrich

"The guys were playing basketball and I was on the volleyball referee stand with my back to the guys and Jennifer Lovelace yanked my shorts to my ankles."

- Senior Reagan Hecshire

*Showing their spirit, Student Council president, Brock Czeschin and cheerleader, Laura Pemberton, dress alike for "Twin Day".*

*In a state of confusion, twin juniors, Jason Newton and Neil Newton, don't know what to think with all of the twin look-a-likes running around.*

*Before the big Homecoming game, senior, Leah Twyman, displays her new maroon and gold band uniform on Friday, which was Maroon and Gold Day.*

*On "Plaid Day" senior, Brandon Opie calmly models his plaid shirt for Mr. Bailey's drama class.*

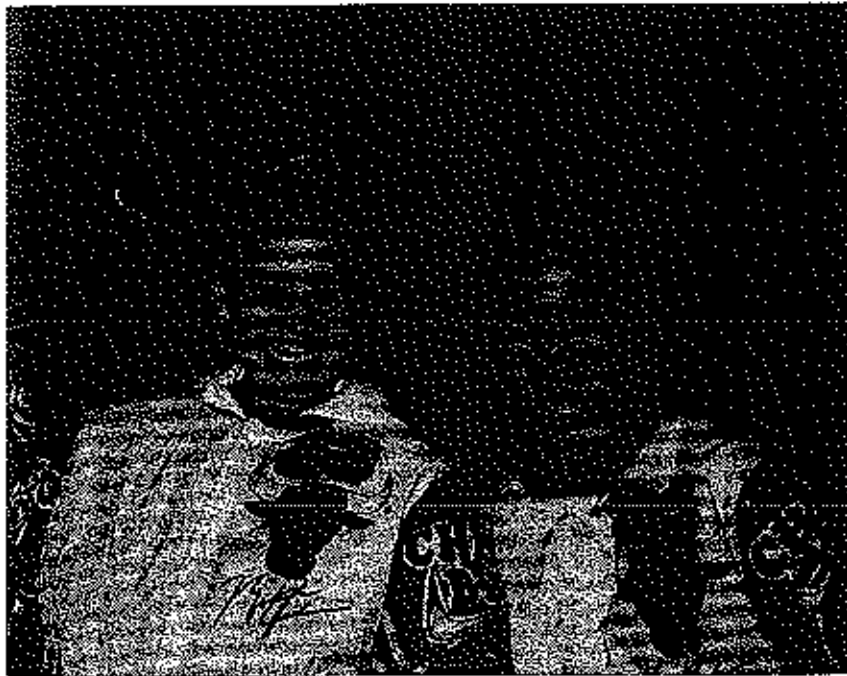

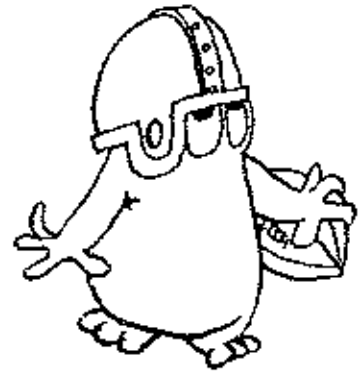

# Spirit Week

The week before Homecoming was Spirit Week. The days were as follows: Monday, Plaid Day; Tuesday, 'Twin Day; Wednesday, Western Day; Thursday, Opposite Day; and Friday, Maroon and Gold Day. Many students participated in this week long event and had fun with all of the different days, including teachers! The student's and teacher's participation showed that they were Designed to Perform.

Senior, *Samantha Cornell* and sophomore, *William Ferguson* pose as cowboys on "Western Day".

Posing as guys, juniors, *Ellen Boyer* and *Angeleic Beard* laugh about "Opposite Sex Day".

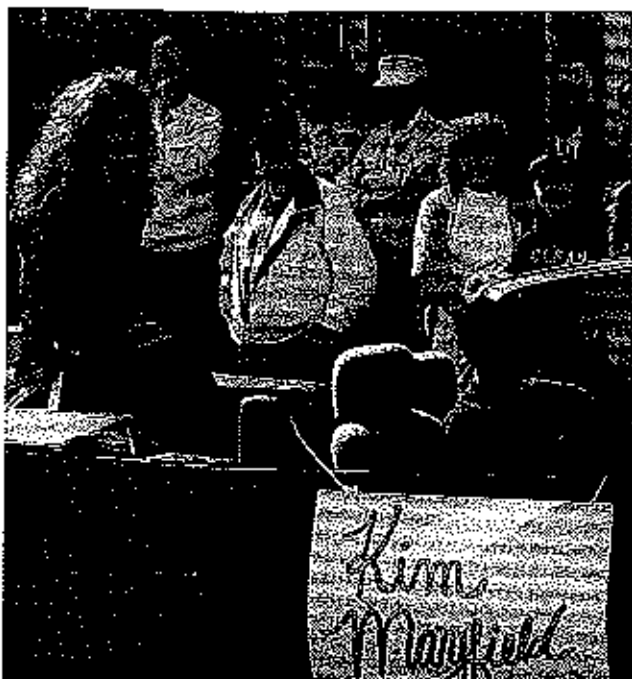

Showing her school spirit, art teacher, *Ms. Gainey*, participated in "Western Day". She carried a box of markers ready for any draw she might be challenged to.

Senior, Amy Flaughter, prepares for the Homecoming parade. She was driven by Senior, Cory Runyan, in Brad Hayes' car.

Senior, Kim Mayfield, smiles at the crowd toward the end of the Homecoming parade, as Senior, John Nowack drives.

Senior friends, Angie Miller and Jennifer Pittich pose for a picture before going their separate ways in the Homecoming parade.

Senior, Jennifer Bonifacio, was cool, calm, and collected before the afternoon Homecoming parade.

Seniors, Amy Flaughter and Angie Miller are all smiles at the later Homecoming festivities and crowning.

# HOMECOMING '92

On October 9, 1992, Eldon High School held it's Football Homecoming.

Candidates included: Jennifer Bonifacio, Amy Flaughner, Kim Mayfield,

Angie Miller, and Jennifer Pittrich. They participated in the afternoon parade and the coronation, during the football halftime.

Shelly Bungart. Kim received the crown and a half dozen roses. After the football game there was the Homecoming dance from 9:30 to 11:30. The whole week was considered Spirit Week. Monday was Plaid Day, Tuesday was Twin Day, Wednesday was Western Day, Thursday was Opposite Sex Day, and Friday (Homecoming) was Maroon and Gold Day. A Bonfire was scheduled for Thurs., after the JV football game and Volleyball game which would include a Versailles tiger in a coffin and a funeral procession following, but was cancelled due to the weather. The Versailles Tigers won mainly because of the lengthy disabled list of the Mustangs, which was composed of mostly senior starters.

Jennifer Bonifacio rode in Coach Gary Marriott's Corvette convertible and was driven by Shannon Killday. Cory Runyan drove Brad Hayes' Iroc convertible while Amy Flaughner smiled and waved to the crowd. Kim Mayfield rode her way to victory in a red Sunbird convertible driven by John Nowack. Angie Miller was chauffeured by Phillip Holland in his mom's green blue Trans Am convertible. Jennifer Pittrich sat on the back of Susan Oswald's Z-24 convertible driven by Doug Porter. That evening at the coronation, the girls were escorted by their fathers. At half-time, Kim Mayfield was crowned the 1992-93 Football Homecoming Queen by Student Council President, Brock Czeschin and Student Council Secretary,

Upon her crowning, Kim Mayfield stated, "It was a very big honor and one of the highlights of my senior year. I will always remember it."

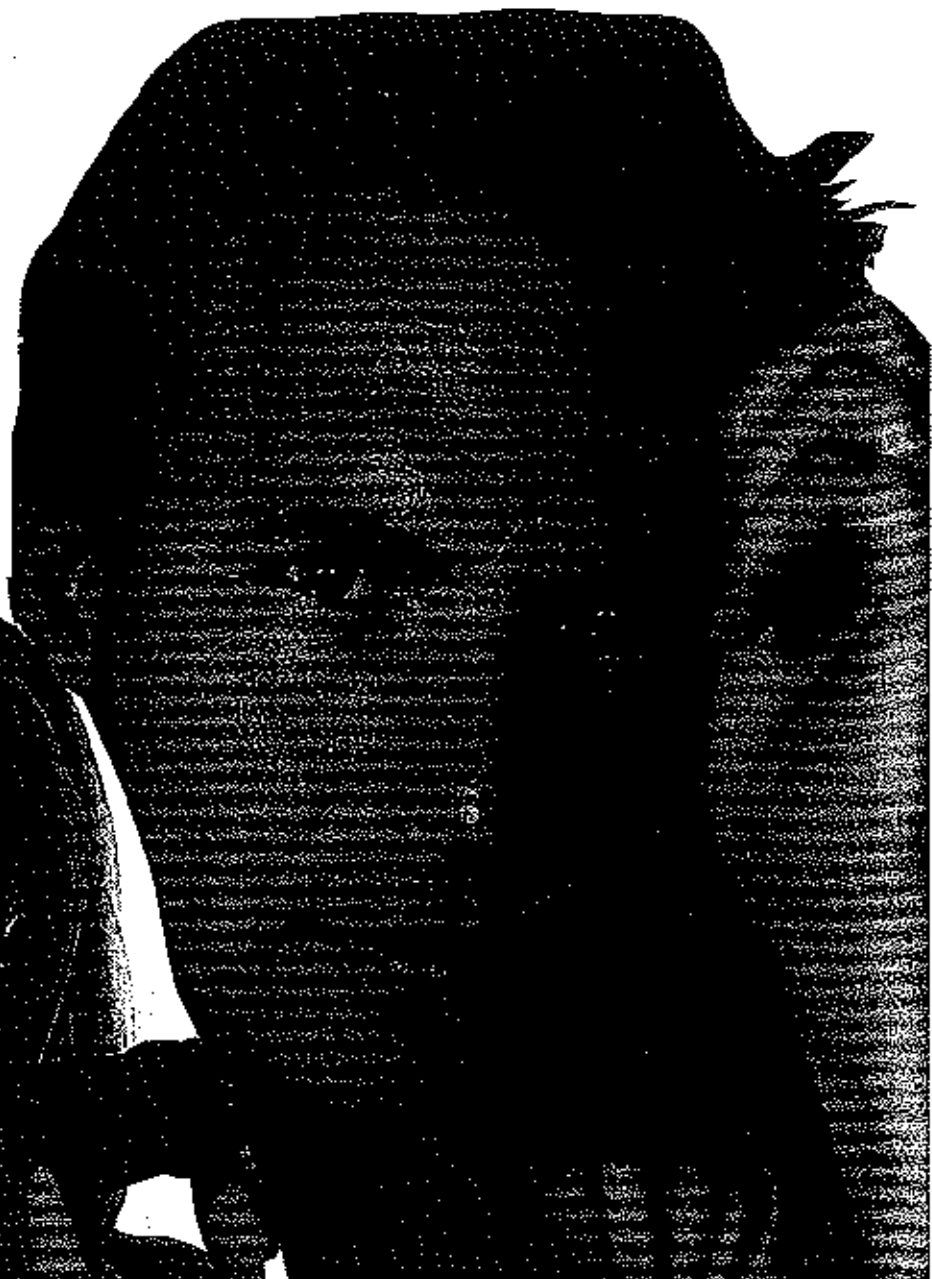

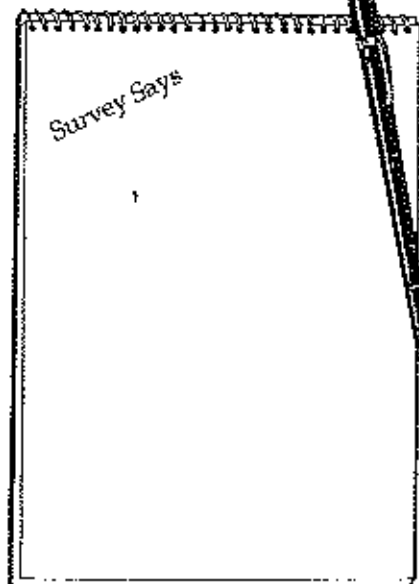

Senior Homecoming queen candidates, Jennifer Bonifacio and Jennifer Pittrich relax after making their appearance at the football game.

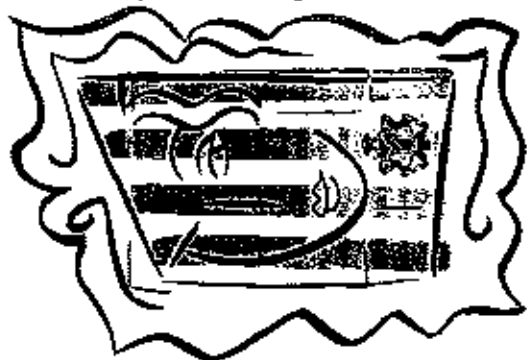

Upon her crowning, senior, Kim Mayfield, smiles for the many camera flashes.

Retiring queen, Dana Davis, shows a sigh of relief knowing her duties as 1991-92 Homecoming queen are over. Shown also is her driver Troy Taylor.

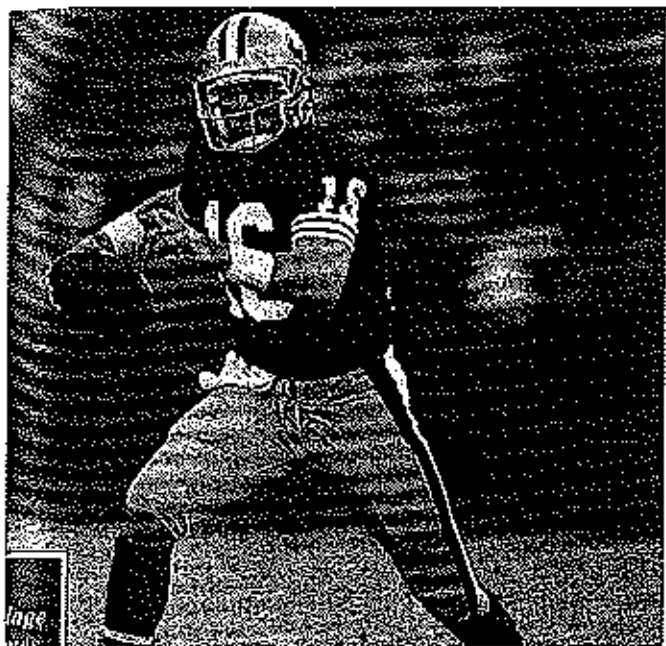

According to your Student Survey, super model Cindy Crawford and actor Kevin Costner, were chosen as your "Dream Dates". They were sure Designed to Perform!!!

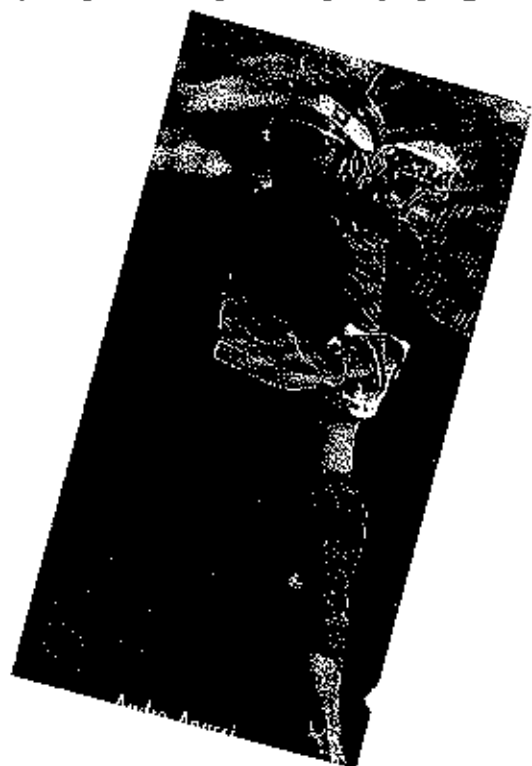

# Idol Chatter

Quarterback, Joe Montana, comes back this year after a two year injury to lead his team, the San Francisco 49ers.

Michael Jordan listens as his fellow USA Olympian basketball teammate, Magic Johnson, relives a play from the game.

## Survey Says

Who is your favorite athlete?

1. Michael Jordan
2. Larry Bird
3. Bo Jackson
4. Derrick Thomas
5. Magic Johnson
6. Christian Okoye
7. Andre Agassi
8. Joe Montana
9. Barry Sanders
10. George Brett

# Students perform

How can students perform at EHS? There are a variety of classes and clubs which enable students to perform in different and unique ways. Every individual at EHS is unequalled and has special qualities that can be used in positive ways. Whether it be in basic classes, clubs, or other extracurricular activities,

you can make a difference!

Throughout a school day or in other activities, you see fellow students working hard to meet their goals even if it is just doing homework for a class or communicating with their friends. Our diverse student body makes EHS a unique and respected high school. You can always

find someone uptown at the Cree Mee or Drive-In or students just to hang out with. Eldon's athletic teams are successful and its clubs are very active. Many students also show their ability to hold a job and still participate here at school. By taking a stand and being part of Eldon's high school and community, you are showing others you are "Designed to Perform."

Junior Amy Currence prepares a meal in foods class.

Danielle Booth, Cathy Thorson, and Wayne Ussery work at the concession stand during the Eldon girls' basketball tournament.

Saving his energy, junior Danny Willis takes a break from class.

Sopho study.

# Survey Says...

What is the funniest thing you have ever seen?

My brother being hypnotized ...Charlie Golden, Junior.  
Getting Brock, Doug, and Donald lost in Columbia  
Lori Suttie, Senior.

Mrs. Wyrick during spirit week ....Renee Pope, Senior.

Marty Rush when I was under hypnosis ....Kimberly Green, Senior.

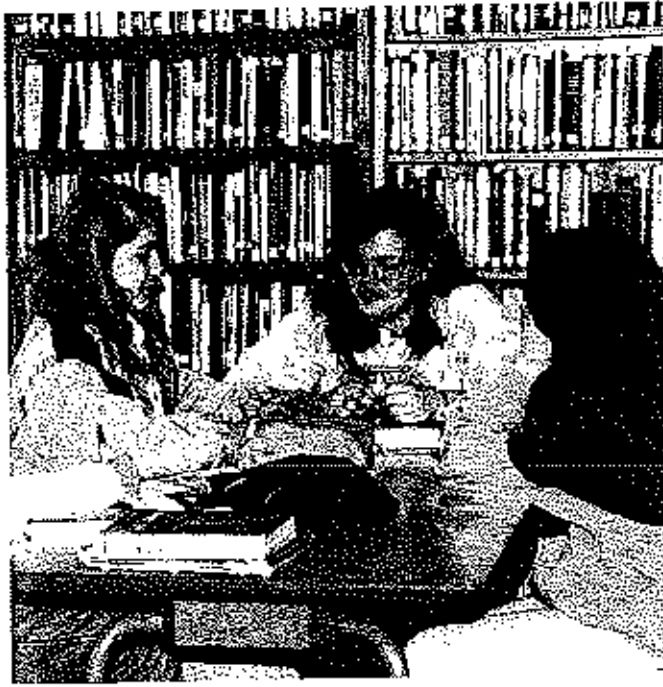

When Chris Newton lost his swimming trunks during lifeguarding class ..... Courtney Hayes, Sophomore.

A fat lady trying to walk on an icy parking lot .... Ms. Gainey, Teacher.

The 1992 presidential campaign .....Richard Vaughan, Senior.

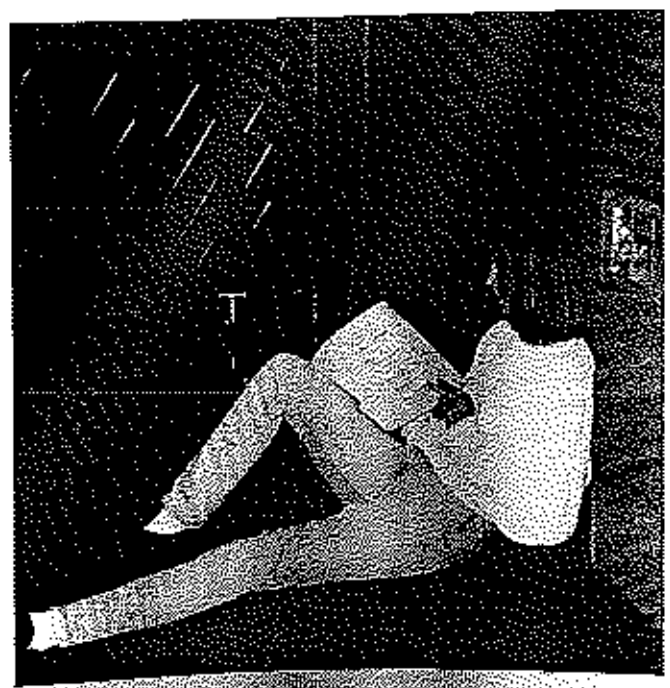

Freshmen Cassie Pearson Erin Oswald, Allison Bishop, and Angie Hale help each other fill out a survey for the Publications class.

he conces-

Sophomore Julie Allen and freshman, Sara Blakey use the library to study and catch up on the latest news.

Sophomore Marti Matteo concentrates outside of the Fine Arts auditorium stage before a performance.

# Students enjoy wide range of interests

Freshmen, Kim Witt, Melina Wood, and Amy Rouston, conduct an experiment during their physical science class.

Juniors, Angie Hayes and Robin Fellner help their friend, Raegan Oswald, apply her make-up before their District Student Council guests arrive.

Michael Lee and Tony Cadero play a game of basketball during life sports.

## Survey Says

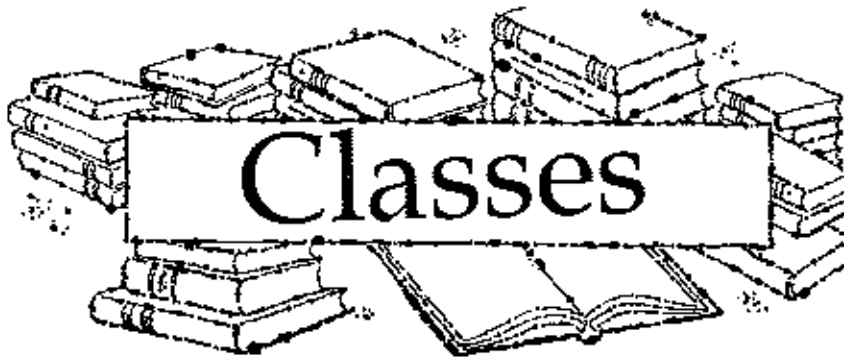

Where is your favorite place to eat?

To write this story several people were interviewed to get information on what they thought of each class as a whole. These were the most talked about qualities in each class. There are a lot of individuals in each class too, but as a class you are supposed to work as a unit. The classes in Eldon High School do this well.

*Karisa Tompkins works hard during class.*

*Lauren Pemberton and Kim Mayfield stop to pose for a picture during Homecoming rehearsal.*

# Seniors

The graduating class of 1993 has optimistic hopes of the future, however with the economy in the state that it is in they have little hope of ever getting ahead.

For the first time in our nations' history, this generation will probably have less, in adult life, than what their parents had.

Usually with the subject of graduation comes the aspiration to be the best and to acquire more than their parents have and in a shorter amount of time.

The generation can work together to change this tragedy. They have to be aware of what is going on around them, instead of leading the sheltered life that this generation has been doing.

Seniors, Jennifer Bonifacio, Amy Flaughter, and Jennifer Pittrich hear no teachers, see no homework, and speak no evil.

# Juniors create excitement

The Juniors this year are very unique in every way. Even though they go through problems and situations, their closeness brings them together. They are a class which does not enjoy themselves to excess, and whenever they are together they tend either to go to the movies or they go to the mall and shop. Whenever they feel like hanging out for a little while, they usually go to the Crce-Mec Freeze or the Eldon Drive-In. Juniors also, have a lot of decisions to make, like where they are going to college so they really have to use their brains for the ACT and the PSAT tests. They are also a class that is excited about being Seniors next year.

During the summer they enjoy going boating and skiing on the lake. The Lake of the Ozarks is also the place where most of the Juniors work. They work at places such as the Stone Crest Mall, the Bagnell Dam Strip, the Cinema, and also the Osage Factory Outlet Merchants Mall. The money they receive from these jobs most likely will go to a future car or for weekend fun.

The Juniors that are on the varsity volleyball team this year have proven that they are "Designed to Perform." Junior Robin Feltner stated, "This year our team was the youngest team at the state tournament and placing third out of every class 3A team was a great accomplishment and I think next year with our experience and talent we can return to the state tournament and finish off number one."

Juniors Kari Bennett and Laura Shepard work on a story for the school newspaper while in Journalism.

The Junior class offices are: Raegan Oswald, Treasurer; Robin Felner, Vice-President; Angie Hayes, Secretary; Erin Kincade, President.

During study hall, Aaron Wood gets ready for his Accounting test.

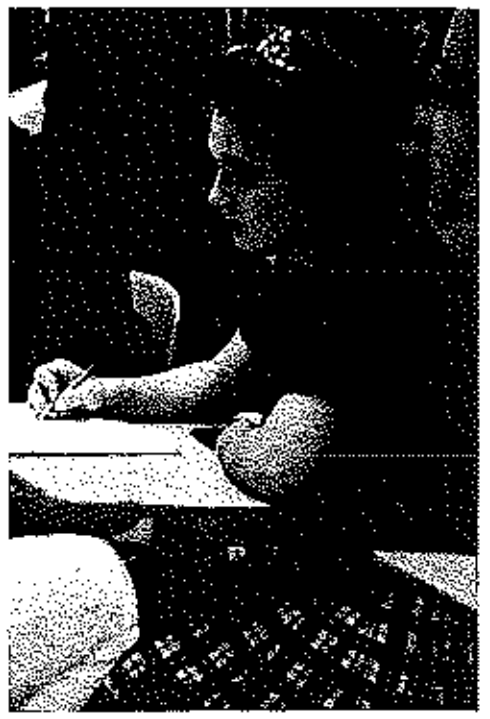

# Prom proves "Unforgettable"

The Prom is one of the Juniors biggest projects. They are the class that has to get everything ready for the big night. They have to decide when, and where they are going to have it, and they did a really great job this year. This is also a night when everyone gets dressed up in formal gowns and tuxes, and drive nice cars and they spend a lot of money. It's a time when everyone can get together with their friends and have a great time. That's really what prom is all about.

This years prom was a little bit different. We all met at the Junior High for the dinner then instead of having the dance in the Junior High Cafeteria they decided to go to the dance cruise down at the Lake of the Ozarks. Some of the girls go all out and spent around \$200 on their dresses. They usually spend about \$20 for their hair styles. Junior Class President Erin Kincade said, "This year we tried to make prom different from those in the past years. We hope everyone had a good time".

The theme for the 1993 Prom was "Unforgettable" and the color scheme was pink and silver. Junior Kerri Cotten said, "This year the Junior class put in effort to decide on a theme and on the colors of the prom as a whole and not as an individual, and maybe this prom would be something to remember".

StuCo Treasurer, Angelic Beard takes notes about the upcoming events that were scheduled for the Spring.

on a story for the

# Sophomores: a step above

Sophomores. They finally made it; no longer the dreaded Freshmen. This is the year that they gain more freedom than any other, and with this, social life begins. Most will turn sixteen and get their driver's license, the others who don't "bum" rides from the lucky few that have cars. You can usually see them driving around town, still "cruising" from after school, until 6:00 or 6:15. The only reason they

even go home is because it is time for dinner. This is also the year that they get up later and arrive with the upperclassmen at 8:19.

The typical class load of a Sophomore consists of a mathematics class, an English class, a biology class, world civilization, and family health. Sophomore Gina Tegarden stated, "This year the classes aren't much harder than last year, but there is a lot more work involved."

Jill Maher said, "This year is better than last year because I get more freedom and now I can finally get my driver's license."

"Well, all I have to say is that at least now I only have two more years left", says Sophomore Carl Hutcherson.

All in all there is much to be said about being a Sophomore. It is a whole year of change, from driving, to more time being spent on homework. As

Sophomore Clint Kincaid said, "It is a lot better than being a Freshman."

# Freshmen show a lot of class

Freshmen, the name itself is humiliating. It's a year of transition, full of embarrassment, excitement and increased freedom.

With the strange new surroundings here at EHS, many look for safety and security in numbers. They stand around before school in large groups, since their parents and busses drop them off so early, and roam the halls in little packs.

To make matters worse, this years' freshmen class is

the largest in the schools history, one-hundred and ninety students. Freshmen, though, do have some positive qualities. They provide the upperclassmen with many jokes, targets for invitation and someone to look down upon.

All their excitement and energy is also put into many clubs and they show a lot of school spirit at the various games. The best part of being a freshman is it only lasts one year, we all had to

go through it and it wouldn't be high school without it.

Freshman Angie Noland said, "I like being able to do more things and have more freedom." She also can relate to the teachers better than before.

Freshman Cheryl Viles said, "I really enjoy being a freshman." She also expressed how she liked the new experiences of making decisions. She expected the worst but changed her

mind.

Freshman Jennifer Coon said, "I like having more freedom." Last year she said that her class was the big kids in a little school, now they are the little kids in a big school. Jennifer stated that you adjust quickly.

Freshman Lisa Westergaard said, "As eighth graders, we had it a lot easier." She admitted it's really not all that bad to be a freshman, just be happy you are finally in high school.

# Freshmen requirements

During their first year at EHS, freshmen must take several required classes. These classes include: Social Studies with Mr. Horen, Physical Science with Mr. Alewine or Mrs. Wyrick, Physical Education, a credit of Math and a credit of English. These basic courses are designed to prepare them for the more specific classes later in High School.

After being enrolled in their five required courses, only two class periods remain to be used as electives. Electives are classes which the students choose to take. They are usually very specific to the students interests. The most popular electives taken by Freshmen are Band, Art I, Spanish I, Chorus and the always crowded Study

Hall.

This semi-strict schedule still gives them more freedom than what they had in Jr. High, but they will continue to gain more and more independence every year here at EHS. Sophomores are required to take four classes, Juniors only two and Seniors, if they completed all the previous classes, don't have to take

any.

While required classes seem to be very restricting, they are needed so the freshmen will have a broad education for their later years. The number of electives they can take will increase every year and will allow them to pick courses which are more centered around their wants and needs.

Freshmen Kari Pearson, Nicole Hills, Alison Bishop, Cassie Pearson, Erin Oswald, Chris Campbell, Daniel Hull, Todd Banner and Aaron Kingery give Daniel a hard time after taking his hat.

Freshman Chris Boardman studies for a Social Studies test during his cafeteria study hall.

Freshmen Aaron Kingery, Clint Quigley, Travis Farley sit out in P. E. while the rest of the class plays basketball.

Freshmen Todd Banner and Chris Campbell find the time at a basketball game to flash their eager smiles.

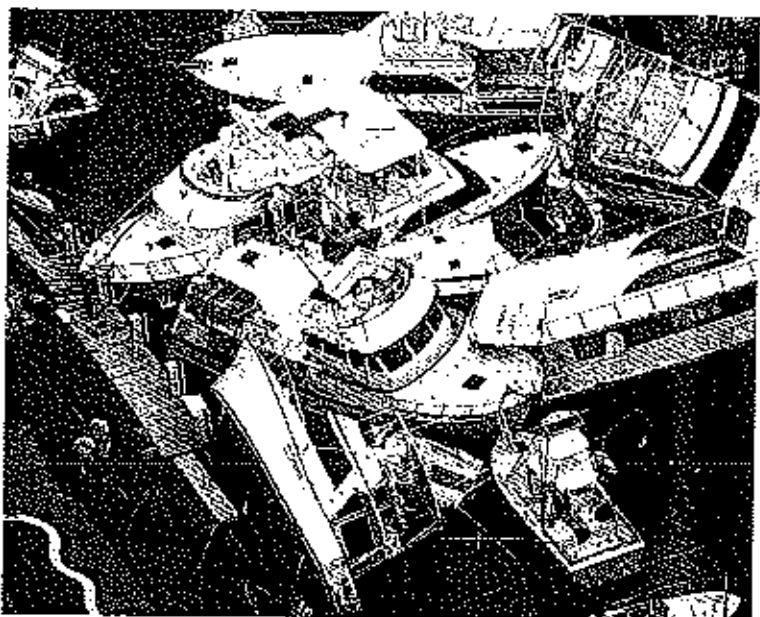

# AT OUR BEST

## Storm Warning

Southern Florida and Louisiana experienced the costliest natural disaster in American history this year. The hurricane, known as Andrew, reached a maximum windspeed of one hundred and sixty-four miles per hour and destroyed approximately eighty-five thousand homes. Leaving thousands homeless, Andrew will cost nearly thirty billion dollars, but fortunately the number of fatalities was low.

The Army, Navy, Air Force, Marine personnel, Red Cross, National Guard and thousands of civilians all came together to help stop looters, feed the people and set up tent cities for protection.

It will take years to restore everything back to order but it was a strong example of how our government can respond to such disasters. President Bush was congratulated on his efforts to help Hurricane Andrew's victims.

*Hurricane Andrew's striking force resulted in the stacking up of boats in a canal on Paradise Point in Cutler Ridge, Florida.*

Relief  
meal.

## Trouble Strikes Somalia

On Wednesday, December 9, 1992, the American military landed on the shores of Somalia, a small country in Africa. Operation Restore Hope is America's largest military humanitarian mission and the main goal is to feed Somalia's starving people.

This tragedy mainly resulted from the rivalry of two powerful factions led by General Mohamed Farah Aidid and his rival Ali Mahdi Mohamed. Their "soldiers" continue to loot, steal food and patrol the streets with armed weapons. Over three hundred thousand people have already died from starvation while there are still two million more at risk.

In this year alone, two hundred thousand metric tons of food and other supplies have been delivered but up to eighty percent has been looted or left to rot. Considering that just one metric ton of grain can feed two thousand and five hundred people, it is obvious Somalia needed the United Nations' help.

On December 4, 1992, the Pentagon assembled a force of almost twenty-eight thousand soldiers while other countries were still debating on sending troops. The troops have cleared the streets of the faction's "soldiers" and continue to protect the food supplies and other necessities. Due to this protection, thousands of people are fed daily and the fatality rate is slowly decreasing.

Children under 5 are classified in two groups: those that are malnourished wear blue bracelets and those that are near death wear red bracelets.

Relief centers are crowded with many starving children waiting hopefully for the arrival of their daily meal.

Somalia's devastating effects can be seen on this 10-year-old waiting outside a Baidoa hospital.

# U. S. Brings Home The Gold From Barcelona

**Top left clockwise:** At the age of 32, Carl Lewis won his third consecutive Olympic long jump title. His winning jump this year was 28 feet, 5 1/2 inches. Charles Barkley, a member of the highly publicized "Dream Team", does an "In-your-face" slam dunk. The team went on to capture the gold. Kristl Yamaguchi strikes gold in figure skating at her first Olympic appearance. Members of the '92 Winter Olympic ski team were: Kristi Terzian, Diann Roffe, Julie Paristen, and Eva Twarditens. Diann Roffe went on to win the silver in the giant slalom. One of America's greatest gymnasts, Kim Zmeskal, finished tenth overall in women's gymnastics. Fifteen year old, Shannon Miller, won a silver and a bronze medal in individual events. She became the first American ever to win an all-around medal in gymnastics. Miller placed second overall. Matt Blondl became the first U. S. swimmer to win gold medals in three different Olympics. He matched the American Olympic record of 11 career medals.

The leader of the Harlem Thrillers, Art "Bones", entertains the crowd as he takes time out during the game to torment Eldon's own coach, Gary Marriott.

## Catch the "thrill" at EHS

When you are walking down the halls, do you ever think you're seeing double? You probably are because Eldon High School has five sets of twins. These twins include: (Back Row) Heather Medlen, Tiffany Hayes, Karl Pearson, Neil Newton, and Candie Hendrix. (Front Row) Heidi Medlen, Angie Hayes, Cassie Pearson, Jason Newton, and Randy Hendrix. As you can see, Eldon High School has twice the thrills and double the fun!!!!

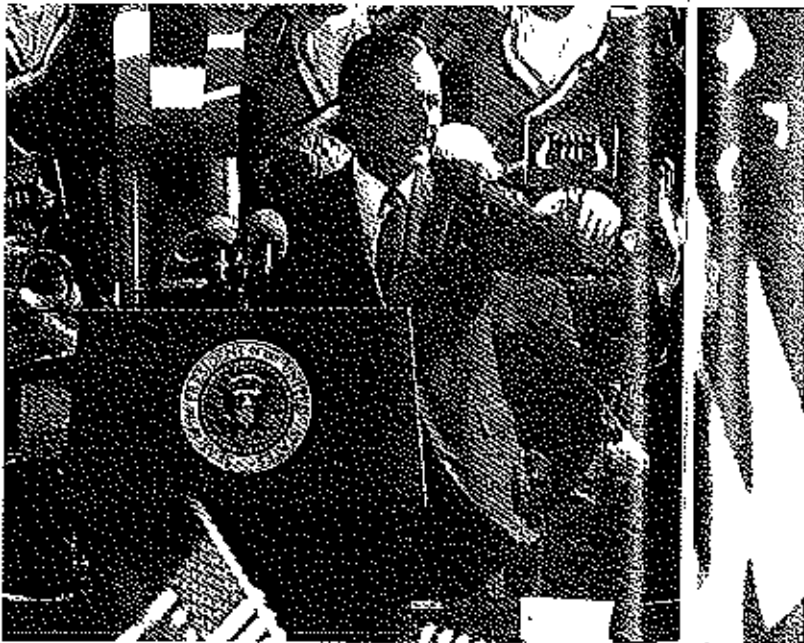

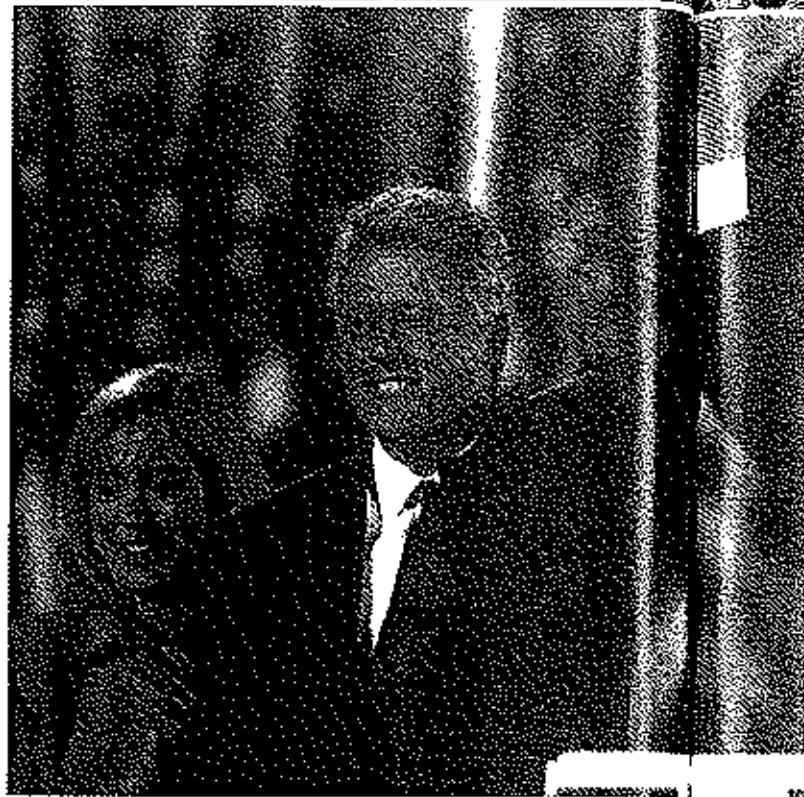

This year Eldon High School hosted the Harlem Thrillers, a traveling basketball team. Eldon's basketball alumni, known as the Fallen Stars, included players up to the graduating class of 1990. Members of the Fallen Stars were: Jeremy Frye, Danin Banner, Mike Garrett, Scott Ellerman, Galen Hayes, Shawn Wood, Boo Wyrick, Steve Henderson, Zane Stevenson, Tim Wood, Scott Spears, and their coach, Fred Norman. Above members of the Fallen Stars give teammate, Galen Hayes, a "low" five during introductions of the players.

# Lady 'Stangs Do it Again!

The Lady Mustangs volleyball team has had a lot of success in the last few years, building what many call a dynasty. In fact, the program holds the state record for the most consecutive appearances at the 3-A State volleyball tournament. 1992 marked the 7th straight trip for the Lady 'Stangs.

With several returning starters from last years State Championship team, the '92 edition continued their winning ways by intentionally looking for challenges. They got that and more when they ventured to West Plains for the first Tournament of Champions. Later in the season the Ladies scored successes at the Warrensburg Tournament and at their own tourney.

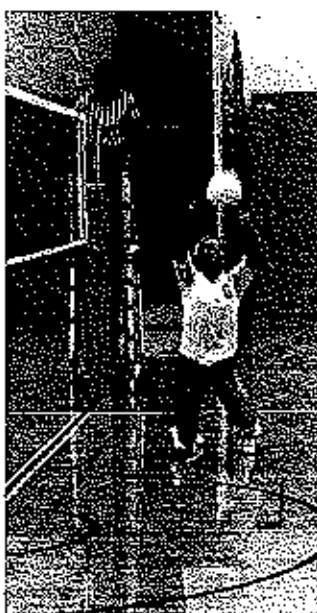

At the State tournament, Eldon met up with some familiar foes: St. Francis Borgia, Dyschene, and Houston. Following pool play, the Ladies found themselves in the third place game with St. Charles Duschene. That contest easily went to Eldon, 15-12, 15-6.

The team will lose three valuable members to graduation: Jennifer Pittrich, Angie Miller and student assistant, Julie Crouch. And while their spots will be hard to fill, there are younger players waiting in the wings. With high expectations and the knowledge of the hard work involved, the Volleyball program at BHS has proved to the school, the community and even the State that it is "Designed to Perform."

*Junior Robin Feltner blasts a hit across the net against a weak defender while the rest of the team prepares for a possible return. The Ladies went on to advance to the State Final Four.*

Junior Varsity: Missy Markway, Camilla Fountain, Jody Hoffman. Coach Ann Lueltkeueyer, Stephanie LaLonde, Kari Morris, Courtney Hayes, Missy Hawk.

Senior setter Jennifer Pittrich goes to the floor to get the ball up high for a good set in the game against Kickapoo.

*Varsity Team, front row:* Jennifer Pittrich, Patience Vernon, Jody Huffman, Angie Miller, Amy Wood, Lacy Amsinger. *Assistant Coach* Todd Shockley, *Coach* Ann Luetkemeyer, Amy Taylor, Robin Feltner, Camilla Fountain, Ragan Oswald, Missy Markway, Julie Crouch.

*Coach Ann Luetkemeyer and senior Julie Crouch share a hug following the third place awards ceremony at the State Tournament.*

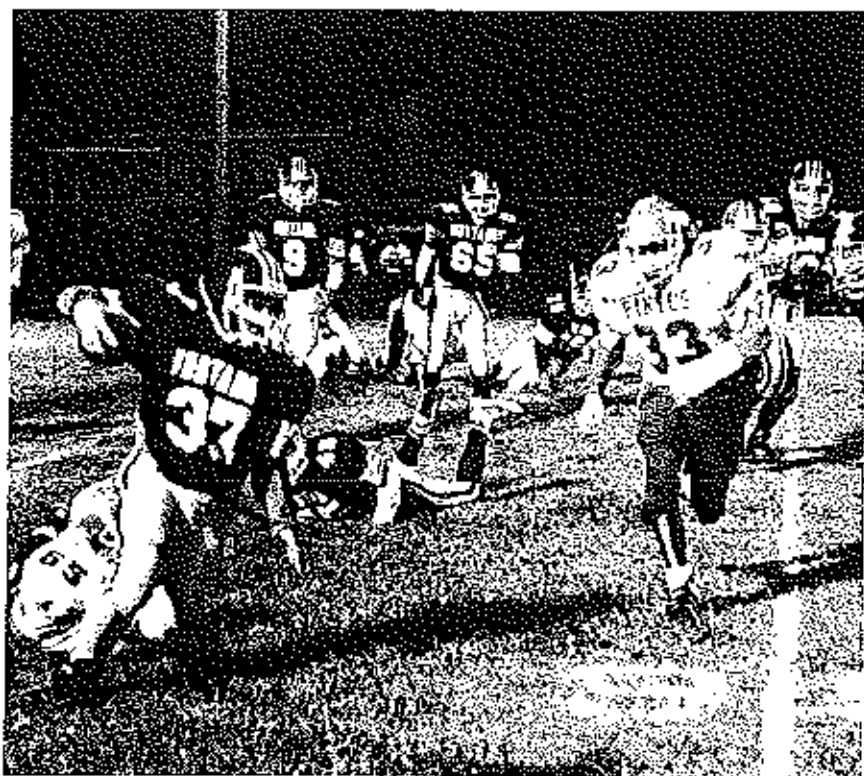

*Freshman Team: Front row:* Jennifer Jenkins, Melissa Skouby, Lisa Westergaard, Angela Cox, Cassie Pearson, Erin Oswald, Yvette Heard, Kari Pearson.

Members of the '92 Football squad show their excitement before a home game. Starters are announced and run through a spirit banner made by the cheerleaders. Here, support players run onto the field with an enthusiastic yell.

Following the graduation of many key players from the '91 team, Coach Gary Marriott's football squad faced a tough rebuilding year in '92. Coupled with numerous injuries to key players, ELS faced a long and grinding season. Facing a difficult conference and District schedule, the 'Strangs worked to improve fundamental execution during each game. Overall, they ended the season with a 1-9 record with the lone win coming against conference rivals, Blair Oaks.

Head Coach Gary Marriott and assistant Kevin Allewine discuss what play to send into the game.

# Cheerleaders

A cheerleader's season begins before summer even starts, with tryouts for the upcoming year. After that, the girls chosen are split up into 3 squads by how many points each one has earned.

The squad with the 3rd highest scores is the White Squad. This squad cheers for freshman girls and boys basketball and football. The white squad attended ICF in Warrensburg for cheerleading camp where they learned various cheers, chants, and dances.

The squad with the 2nd highest scores is the Gold Squad. This squad cheers for JV Volleyball and girls JV Varsity Basketball. The squad attended cheerleading camp at Warrensburg with the Dynamic Cheerleaders Association (DCA). At camp they learned numerous chants and cheers with which they competed at the end of each day.

The squad with the highest scoring points is placed on the Maroon Squad. This squad cheers for Varsity Football and Boys Varsity Basketball. They attended camp at SMSU in Springfield with the National Cheerleaders Association (NCA). At camp they exercised a goal of crowd involvement and learned fun dances.

Both the Maroon and Gold Squads for the first time competed in State and came back with a positive experience.

Overall the cheering season was a success and there are plenty things that the next year's cheerleader's can look forward to. Senior head captain Jennifer Bonifacio said, "This isn't the best year the cheerleaders have had, but it's an experience that everyone learned from and next year has a lot to look forward to."

Maroon Squad does their best to cheer on their crowd at one of the many basketball games.

## Lady Mustangs Hoopin' it up in '93

The 1992-93 Lady Mustangs basketball team started the season out with two, big, upset wins against the top two seeds in the Tri-County conference. The Lady Mustangs were seeded fourth in the conference, but that was no set back for them. Wins against Warsaw and California put the Lady Mustangs with a 2-0 record. The Lady 'Stangs went on to have a successful season and finished the year with a 17-7 overall record. They tied with California and Versailles for first place in the conference with a record of 5-1.

This year's team had three seniors: Holly Griswold, Jennifer Pittrich, and Renee Pope. The Lady Mustangs were a young team, but next year there will be many experienced players returning. Four Lady Mustangs were named to the all-conference team. They were Raegan Oswald, Robin Feltner, Amy Taylor, and Renee Pope. Raegan Oswald, Amy Taylor, and Robin Feltner also were selected to the all-district team.

## Boys basketball: bouncing-back to new levels

The 1992-1993 basketball season proved to be one filled with tremendous excitement.

This year, Coach Fred Norman's varsity squad faced the loss of experienced players, so the squad had to learn to play basketball as a team.

Under the leadership of Cory Runyan and Donald Alden, the height of Marty Rush and Phillip Holland, and Tony Pace who stepped forward to take the positions of the starting five, the varsity squad began to jell. Doug Porter, Harold Franken, Jason Blankenship, Marshall Mulcahy, Jason Newton, Aaron Wood, David Scott, and Bobby Blanchette waited anxiously for the first available spot opening. Due to all their efforts, the Mustangs achieved an overall record of 22-6.

Also contributing to the Mustang squad were the Junior Varsity and Freshmen teams. With a record of 13-4 in regular season

and a 5-1 record in conference, the Junior Varsity established some high expectations for the next year. These members were Jason Blankenship, Neil Newton, Matt Davis, Jimmy McDevitt, Justin Martin, Pat Langston, Marshall Mulcahy, Matt Pearson, Randy Neth, Marty Graham, and C. J. Daniels. Members of the freshmen squad were Donald Massey, Gary Morris, Ryan Robinson, James Merriman, Clint Quigley, Drue Scott, Chris Boardman, Jason Vore, Brad McDowell, Nathan Leech, Travis Parley, Chris Robinson, Daniel Hull, Tim Bunch, and Allan Schwantex.

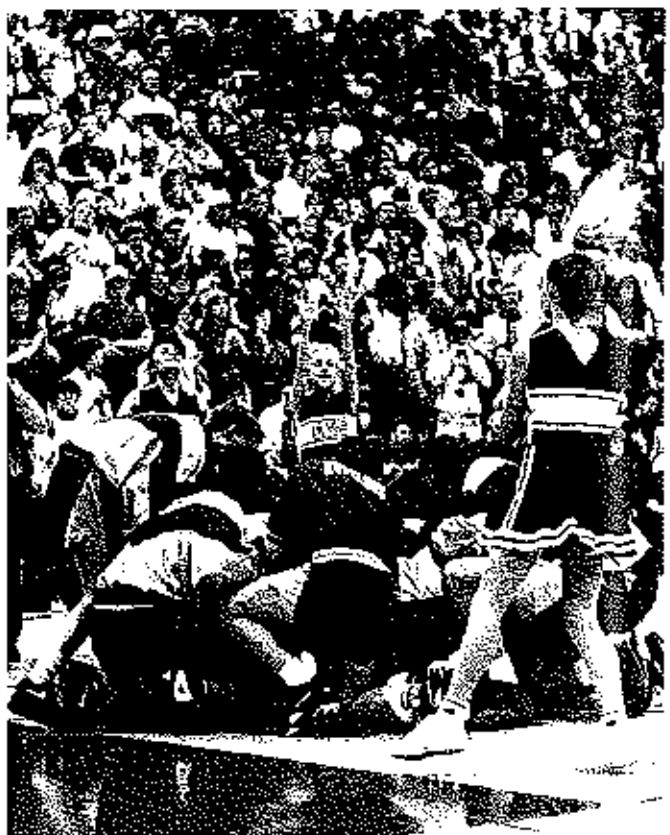

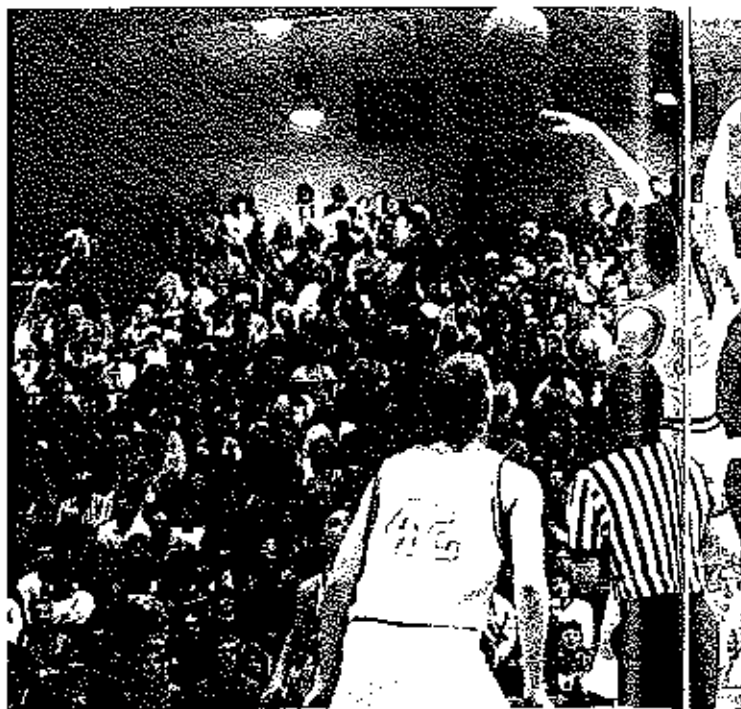

*Senior Phillip Holland jumps for the opening tip off against Versailles in the championship game of the Eldon Tourney.*

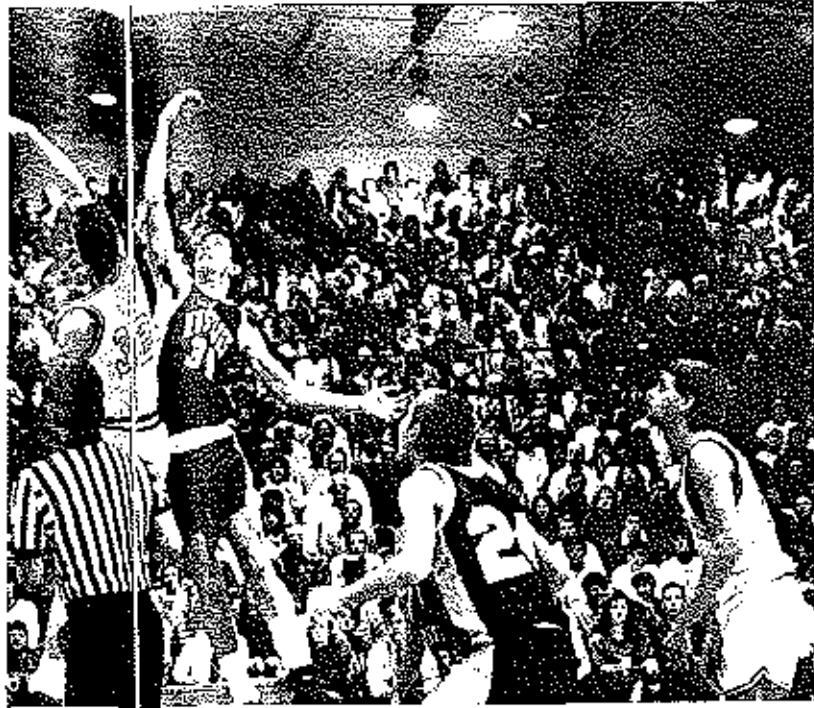

*Senior Cory Runyan drives down the court and eludes his defenders in the game against the Dixon Bulldogs at the district tournament.*

*Junior Tony Pace concentrates on the layup for an easy two points in the game against the Osage Indians.*

*The Mustangs huddled in anticipation for the opening tip off of the championship game in the Eldon Tournament. The Mustangs went on to claim the first place title.*

## Going for the gold

From broken records to qualifying for state meets, this year's track teams are definitely "Designed to Perform." This year Eldon High School was proudly represented at the state competition by members of both the boys' and girls' teams.

Qualifying in the triple jump, 100 meter hurdles, and the 300 meter hurdles was Raegan Oswald. Rence Pope qualified in the long jump. Bobby Beanland ran to state competition in the 400 meter dash.

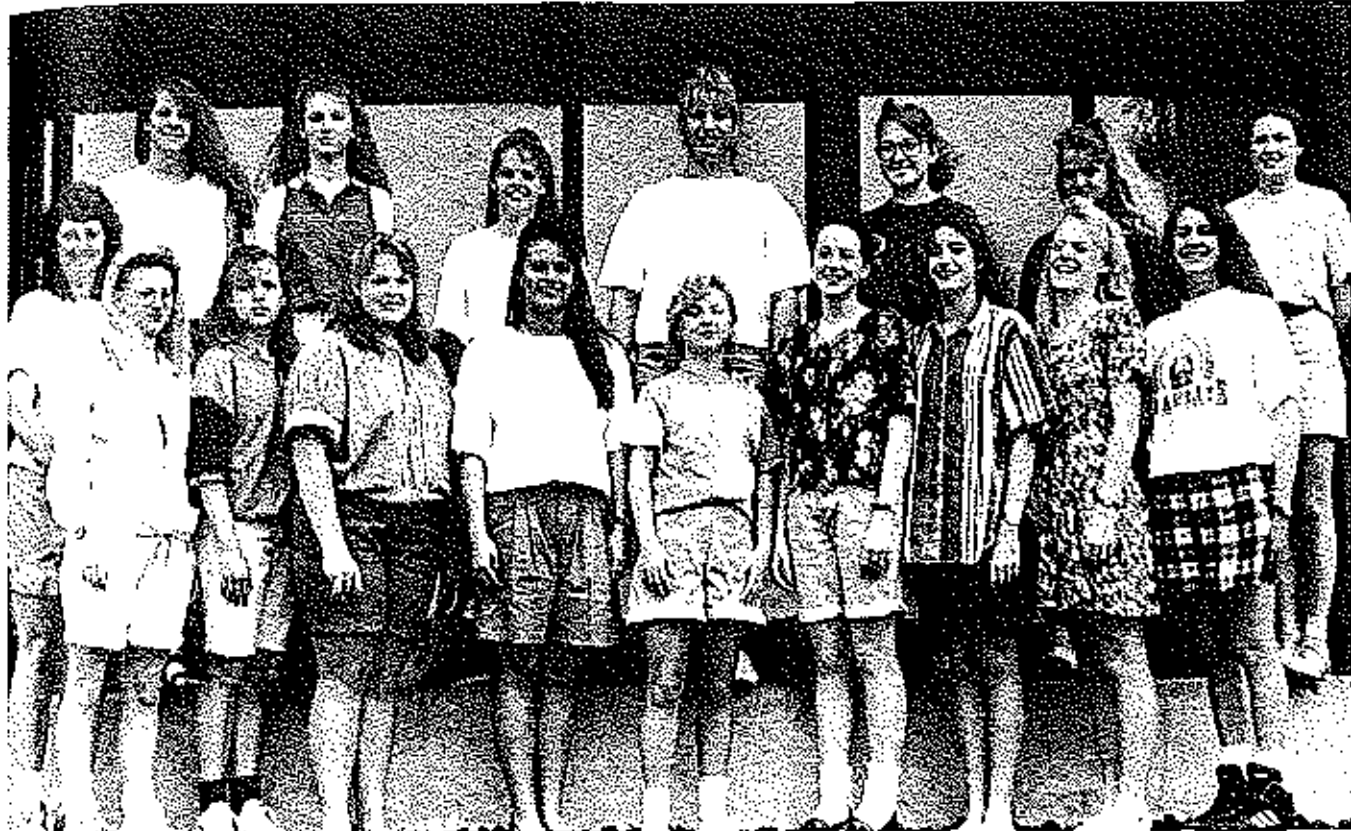

Senior, Harold Franken hands off to Junior, Bobby Beanland in the 4 X 1600 meter relay in the annual Maroon and Gold relays, hosted by Eldon. The relay team took second in the event being barely edged out by the Camdenton Lakers.

This year's boys track team members include: Matt Kuykendall, Eric Hull, Bobby Beanland, Jeremy Bunch, Arpad Stefeo, Clint Quigley, and Jeremy Lee. Second Row: Eric Vernon, Jon Lodge, Harold Franken, Tim Bunch, Tom Beanland, Ryan Roark, and Andy Lang. Third Row: Ryan Hickey, Pat Langston, Daniel Hill, Derek Rhinehart, Johnathan Sash, and Scott Hollis.

The girls' Clark, and da Booth.

Soaring over Raegan took seconds spring.

The girls track team includes: Coach Clare Herriman, Kerry Roe, Tori Jones, Jennifer Bonifacio, Keshia Knight, Erin Oswald, Cassis Pearson, Amy Clark, and Kari Pearson. Second Row: Raegan Oswald, Jennifer Hohmann, Angie Hayes, Holly Griswold, Tina Schulte, Melissa Skuby, and Amanda Booth.

Soaring over the high jump bar is junior trackster Raegan Oswald. Raegan took second overall in this event at the Maroon and Gold Relays this spring.

Senior track members Holly Griswold and Jennifer Bonifacio huddle close together for a photo opportunity after a long day at the Warpath Relays at Osage.

Ryan Hickey.

## Golf swings into action

The 1993 Eldon Golf Team started the year with a bright outlook towards state. In regular season play they defeated Helias, the 3-A state champs. Eldon went on to take second in conference and second in districts, where they advanced to state.

Receiving All-Conference honors were junior, Neil Newton and senior, Phillip Holland. Senior, Cory Runyan, junior, Geoff Jones and freshman, Drew Scott received All-Conference and All-District honors.

Although the golf team did not reach their full potential, they ended their season very well.

Members of the 1993 Golf Team are Ty Cobb, Cory Runyan, Phillip Holland, Geoff Jones, Neil Newton, and Drew Scott.

Junior Neil Newton tees off from the third hole at the Eldon Country Club during a golf meet.

The only freshman to compete on the varsity level this year was Drew Scott. Here he shows his talent while preparing to drive.

Senior Cory Runyan shows off his hat, during the Eldon golf meet. Cory was the medalist for the meet with a score of thirty-five.

# Politics At its best!

The many fun-filled activities done throughout the year are put on by student council. To start the year off the 92-93 student council began with decorating for football homecoming. The haunted house, which is usually the biggest event sponsored by student council, was once again a great success. Then on November 22, Eldon StuCo hosted the District Student Council Meeting. A total of sixteen schools

participated. Winter Ball was the next event for student council. This took place on January 23 and closely following this event was basketball courtwarming.

Throughout the year student council continued working hard to plan activities to help make HHS a place to remember.

Students Phillip Holland, Angie Hale, Lori Suttie, and Brock Czeschin converse about plans for preparing for the Senior Citizen Prom during a Student Council meeting.

Members of the 1992-93 student council are, front row: Lisa Westergaard, Nikki Hills, Heather Perkin, Shelly Burgart, Jill Maher, Brock Czeschin, and Angejeic Beard. Second row: Heather Dinwiddie, Trisha Campbell, Jennifer Lovelace, Jennifer Bonifacio, Courtney Hayes, Angie Hayes, Robin Feltner, and Tiffany Hayes. Third row: Jill Jones, Lori Suttie, Sarah Hayes, Samantha Cornett, Stephanie LaDuke, Jamie Hayes, Nichole Dunstan, Allison Bishop, and Angie Hale. Fourth row: Erin Kincaid, Heather Medlin, Heidi Medlin, Phillip Holland, Marshall Mulcahy, Donald Alden, Jody Hoffman, Missy Markway, and Sarah Henley. ## FFA: Redefining agriculture

Developing leadership, cooperation, and citizenship for tomorrow's agriculturists is the main goal of the FFA organization.

To become involved with FFA, one must be interested in ag and be enrolled in an agriculture related class. Some of the courses available to become a part of the FFA chapter are Ag Science, Horticulture, Ag Construction, Advanced Livestock and Farm Management.

Besides classes, FFA also gets involved in many activities. They include Barnwarming, Food for America, Farmers Market, contests, meetings, fairs, leadership conferences, community service projects, the annual Hog roast, FFA Week, FFA camp, Washington Conference, Leadership programs and state and national conventions.

The one activity that FFA members really get into is the week they get to represent their organization. During this week, FFA has an official dress day where everyone involved with FFA wears their organization jacket. The members also hold a big breakfast for faculty and friends and go roller skating at the end of the week.

The FFA chapter provides fundamentals for agriculture related careers by stressing the importance of hard work, but it also lets the members have a good time in the process.

Sophomore **Brandon Frank** proudly shows off the Hereford calf he raised during the summer for a FFA project.

FFA members attending summer camp were; first row: **Zane Busch, Brent Humphrey, Danny Young, Eric Opie, Jill Jones, Gina Teegarden, Sheryl Etn, Kim Stark, Amanda Apperson, and Willard Hatley.** Second row: **Bryan Johnson, Matt Pearson, Kandy Neth, Molly Kusch, Eric Pearson, Marly Graham, Missy Markway, Donnie Lewis, Carla Porter, Cathy Tronson, and Ben Hewitt.**

The FFA officers were: **Matt Middie (Advisor), Willard Hatley (Advisor), Shelly Baugart (Reporter), Christine Croson (Assistant Reporter), Heather Dinwiddie (Secretary), Doug Porter (2nd Vice President), Jill Jones (1st Vice President), Marty Rush (President), Jason Blankenship (Treasurer), Brandon Opie (Sentinel), Marly Graham (Parliamentarian), and Sheryl Etn (Chaplain).**

Chapter President Marty Rush conducts a meeting during the school year. Marty earned many awards during his service to FFA, among them district and state offices.

Senior Travis Opie carefully measures out fertilizer while senior Holly Morris plants the bush during Horticulture class.

# BAND: MARCHING IN STEP

This year has been a very successful year for the Eldon Band. They started off the year performing at home football games and later went on to march in parades such as the Homecoming Parade, The Turkey Festival, The Eldon Christmas Parade and CMSU's Homecoming Parade where they took second place.

Eldon had five students selected to perform in the All-District concert band. These members include Justin Martin, Angeleic Beard, Jason McCargar, Leah Twyman and Jennifer Helvey. The Tri-County Honor Band was held in Tipton and Eldon had fifteen students attend. These members include Tiffany Hayes, Leah Twyman, Lisa Westergaard, Nichole Dunstan, Cindy Dwyer, Angeleic Beard, Seth Bunch, Tim Bunch, Justin Martin, Lorlei Plummer, Jason McCargar, Cory Dwyer, Bryan Rogers and Carl Hutcherson.

Bottom Row: Erin Oswald, Amy Walker, Brandi Surface, Jennifer Bonifacio, April Hill, Justin Rains. Middle Row: Danielle Nations, Amy Clark, Carie Pearson, Jennifer Homan, Tiffany Hayes, Sarah Henley. Top Row: Jennifer Kalkenbach, Angela Cox, Angie Hale, Camilia Fountain, Nikki Graham.

Sophomore Becky Kory, Junior Angeleic Beard, and Freshman Daniel Hull have fun while waiting for the Eldon Turkey Festival Parade to begin.

Bottom Row: Cheryl Viles, Alison Bishop, Melanie Spalding, Leah Twyman, Trisha Cambell. Middle Row: April Oberreither, Tami Brooks, Shannon Spalding, Twana Withelinson, Jennifer Helvey, Samantha Williams. Top Row: Joshua Harvey, Sarah Leffert, Brenda Noland, Lisa Westergaard, Cassie Pearson, Brandy Yeokum, Cindy Dwyer, Nichole Dunstan. Not Pictured: Kerri Cotten and Vicki Rising.

# Jazz band members perform

Showing off their talent, the Jazz band entertained crowds at various events throughout the community. They performed at the Eldon Turkey Festival, the District Student Council meeting, and at the Tan-Tar-A Winterfest. They also entertained the West District Optimist Club at the Lodge of Four Seasons and continued their performance at many of the home basketball games.

Some of the music the Jazz Band performed throughout the year included various selections from the decades of the 1950's and 1960's. Favorites were "Hound Dog", "Twist and Shout", "Good Lovin'", and "Don't Be Cruel."

In order to be in Jazz Band, students should also be enrolled in Band and have the instructor's approval.

Many Jazz Band members choose to compete in contest. This year the districts were held in January at Osage High School. Receiving honors were Angeleic Beard and Justin Martin, who were selected to the all-district Jazz Band.

The Jazz Band has been very successful this year and with many of the members returning again next year they are looking forward to another productive season.

Senior Marty Rusk, sophomore Justin Martin, and freshmen Miles Boyer and Jeremiah Helvey help entertain the crowd at a basketball game.

Senior Shawndra Spalding performs a solo during a concert.

Performing at their spring concert are the members of the 92-93 Jazz Band: Chad Duncan, Shawndra Spalding, Daniel Hull, Sarah Hayes, Angeleic Beard, Charles Huff, Jason Branstetter, Erik Vanlanduyt, Sarah Leffort, Melanie Spalding, Nichole Dunstan, Jeremiah Helvey, Tom Beanland, Angela Marks, Ellen Boyer, Justin Martin, Marty Rusk, and Miles Boyer. Before performing at Warrensburg's homecoming football game, flag members Nikki Graham (co-captain), Gina Teegarden, Billie Loy, Robin Francis (co-captain), and Patience Vernon proudly show off their new uniforms.

Senior captain, Robin Francis leads Flag Corps at a football game.

# Flags add color

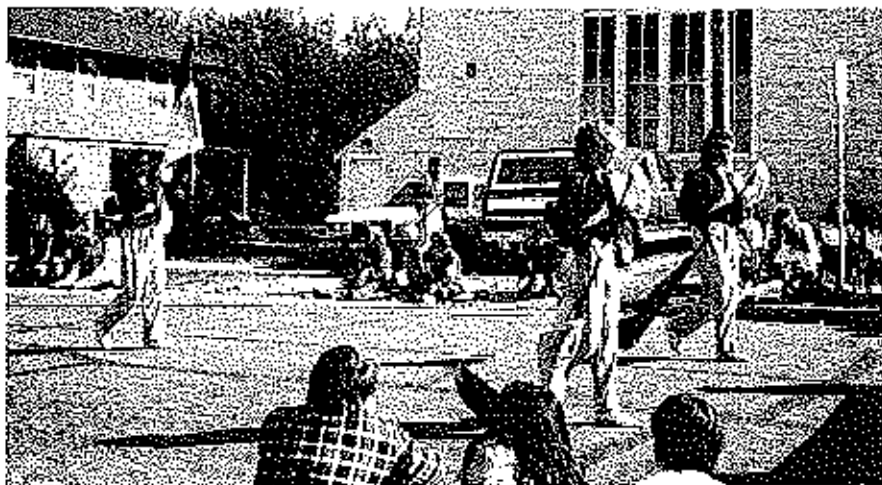

As in the years past, our flags continued to lead the Eldon Marching Mustangs and perform at football games, but this year with a new look. The flag corps was able to purchase new uniforms with money they had raised last year from various fundraisers.

The flags started their season off with early morning and after school practices. They performed the song "China Grove". The flags were very supportive and added much color to the Eldon Marching Mustangs.

eshmen Miles at a basketball

Practicing for their performance at Eldon's homecoming football game are flag corps members Patience Vernon, Sheryl Eth, and Nikki Graham.

# FHA: A RISE TO SUCCESS

FHA is an outstanding organization, whose members, along with their leader, Ms. Linda Simon, put a lot of extra time and effort into their group activities. In order to finance their projects, members plan lots of fundraisers throughout the year. Two of FHA's biggest projects come on Halloween and Christmas. On Halloween, they turn the school into a Halloween City for younger, elementary students, and on Christmas they host a Christmas party for the Head Start children.

This year FHA introduced something new. They put on an all day assembly for the entire student body. The assembly had three main topics: sexual harassment, AIDS, and teen pregnancy. This, along with all their other projects, were a big success.

Junior, Twanna Wilhelmsen, shows children how to paint Christmas cards with sponges.

# NHS Sets Standards for Excellence

The 1992-93 National Honor Society Inducted 26 new members on October 20, 1992. The new membership is now 50 members.

The National Honor Society members are selected on the criteria of Scholarship, Leadership, Service and Character.

Scholarship is the first criteria considered. In order to be eligible the student must have a "B" average or higher. After meeting the first criteria of Scholarship, the student had to complete an application for acceptance into NHS.

NHS has done a few fundraisers

and activities during the school year. The first activity was having a Blood Drive which took place December 8. The blood drive was successful in receiving 68 units of blood.

Members of NHS, Front row: Jason Blankenship, Brock Czeschin. Second row: Heather Medlin, Heidi Medlen, Erin Kincade, Angie Hayes, Shelly Bungart, Sheryl Rth, Julie Crouch, Robin Feltner, Tiffany Hayes. Third row: Suzan Eidsen, Holly Griswold, Lisa Wright, Lori Suttie, Heather Dinwiddie, Samantha Cornett, Kari Hultmeyer, Jana Crain. Fourth row: Jennifer Pittich, Angie Miller, Joe Perkin, Amy Currence, Raegan Oswald, Kelly Locch, Kerry Cotten, Jennifer Helvey, Steve Naught, Patience Vernon. Fifth row: Bobby Beanland, Tony Pace, Geoff Jones, Denise Gibson.

Junior Tony Pace lights a candle during the induction ceremony into National Honor Society.

The 1992-93 school year brought a new club to Eldon High School. Art Club is a new and exciting way to become involved with the school and community through art.

Ms. Mary Gainey, head of the art department, directs the club members in hopes that art will be more

recognized throughout Eldon.

Although the club was just recently established, members had already become involved at the beginning of the year. Members painted windows during the Holidays. During May they held a pottery sale for new Art supplies next year.

Members of the Art club: Gary Kalser, Nathan Leech, Ginger Green, Jennifer Rogers, Angela Abbott, Regina Bunch, Sherry Lambert, sponsor, Mary Gainey.

Ms. Gainey works at the potter's wheel during an open studio after school. Throughout the year, students did a number of pottery projects which were sold during the spring "pot sale."

# Write to Perform

Journalism I and II students have demanding jobs throughout the year. They write stories on school activities that are published every other week in the school newspaper the *'EHS Informer'*. The activities include doing home game programs for football, volleyball, and basketball games.

The newest responsibility for the classes this year was contributing to the publication of the *'Gold Mine'*. This is a small paper that Student Council started to inform the students of upcoming events of the following week. This paper also contains a column which allows students to speak out on whatever they please.

Brock Czeschin, president of StuCo and editor of the *Gold Mine*, says, "We started the paper to allow all students a place where they could voice their opinions and ideas on the school, government, or life in general."

Both newspapers have been a great success this year and hope to continue informing the students of Eldon High School.

Brock Czeschin, Jennifer Hohman, and Erin Kincade help the production.

Seniors Julie Crouch and Shannon Spalding hold a discussion over the stories in the upcoming newspaper.

Reporters Gina Teegarden and Jennifer Hohman check out a yearbook in their spare time.

Instructor Chris Spencer and student Lisa Burris look over the *Gold Mine* before it is passed out to the students on a Monday morning. This is done by hand delivery to each class by the Journalism I and II students.

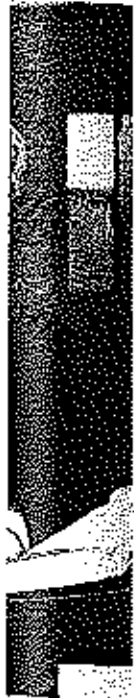

man, and Erin

*Kari Bennett and Laura Shepherd compare their stories for the Eldon Advertiser.*

*Heather Hayes, Gwen Morris, and Holly Tuttle relax during a class discussion on stories that go into the school newspaper.*

*Brandon Opie watches in amazement as Erin Kincade, with a little help, soars through the air.*

*Reporter Jason Taylor gets up close to conquer writing his story for the newspaper on the job fair held by the Tech School. He poses next to a soldier.*

r the Gold Mine  
orsing. This is  
and 11 students.

# Science Club

The science club worked very hard this year on various projects. The students in the Science Methods and Research class took their projects to competition on the state and national levels. The Academic Bowl was a big project for most of the club. While some of the senior members of the club also participated in the Science Methods and Research class, the Academic Bowl gave the lower-classmen something to compete in. This club was not only for competition, but also for fun.

Science club members: Front row: Sheryl Eih, Lori Suttie, Angie Miller, Suzan Eidson, Nichole Dunstan. Second row: Jill Maher, Angie Hayes, Holly Griswold, Lisa Westergaard, Ms. Haden. Third row: Jill Jones, Steve Naught, Renee Pope, Cary Kaiser, Jamie Hayes, Angela Abbott, Chris Boardman, Tiffany Hayes. Fourth row: Jeremy Bunch, Camilla Fountain, Tony Scott, Phillip Naught, Justin Rains, Zane Bunch, Tim Bunch, and Katherine Grousrack. Whether working on the Academic Bowl or their projects for Science Methods and Research, the members always had fun!

Running tests for a science research project, senior Lori Suttie is busy measuring her solution exactly.

Senior science club member, Angie Miller concentrates hard on her Science Methods and Research project at one of the University of Missouri-Columbia science labs.

# Class Acts

This year the Drama Club helped teacher David Bailey and fellow actors perform two plays. The fall play, "Long Live Rock and Roll" was set in the fifty's. The spring play was set on the set of a play and was a murder mystery. The Drama Club helped set the stage, change the sets, adjust the lighting, fix the actors hair and make-up, as well as act in the play. Everyone had their own important part proving again that EHS students are Designed to Perform.

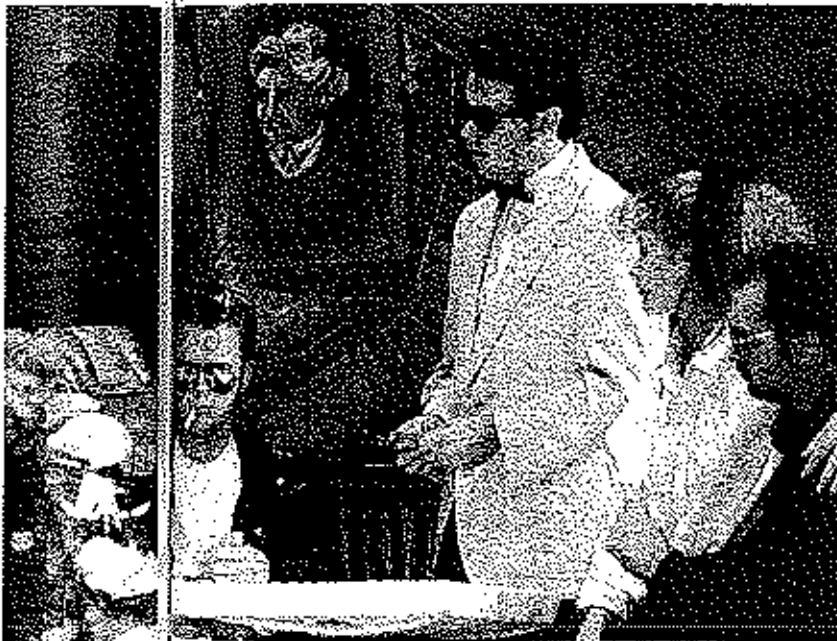

ole Dunstan. Se

Seniors, Brock Creschin (Sargent Thursday) and John Nowack (Officer Trench) seriously discuss the happenings in the fall play, "Long Live Rock and Roll."

During the fall play some of Justice Early's Early Birds relax. Seniors, Seth Bunch (Weasel), Josh Harvey (King Kenny Kool), Samantha Cornett (Corliss), and Jonah Bax (Rocco) act out a scene.

As the cast of the spring play discover Michelle Green (Hazel Laverne) has been murdered, they start discussing their alibis.

filler concentrates  
research project at  
Columbia science

# MURDER.....

*Anne Martin*, played by Jill Maher and Larry Strickland, portrayed by Josh Harvey confess their love for one another during the play. They are considering marriage, but Hazel won't allow it.

If *looks could kill*, Hazel Laverne (Michelle Green) would've been the one doing the shooting as she enters the stage. In the background *Anne Martin* (Jill Maher) is carrying Hazel's luggage.

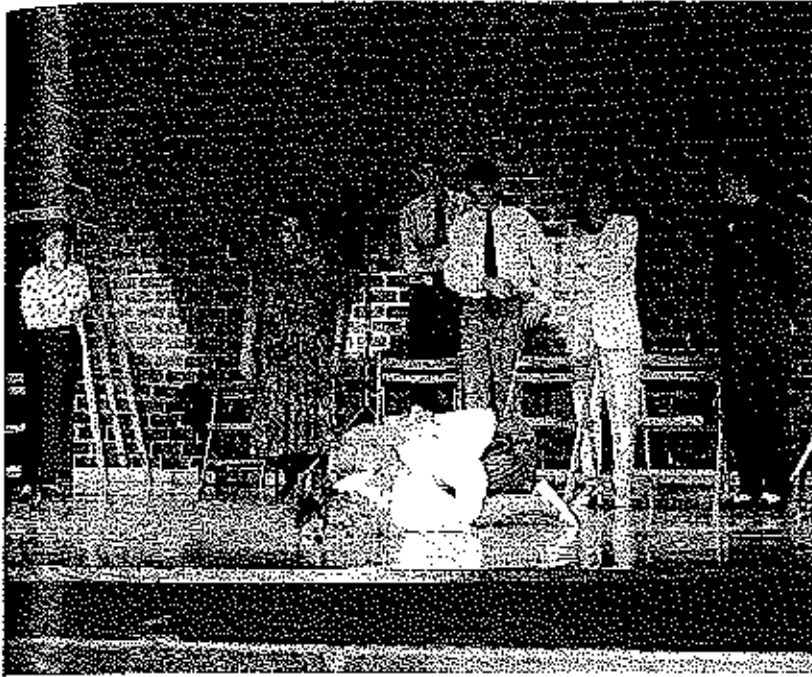

*Chad Dumeau* and *Eric Pearson* are shown working very hard on the set for the spring play. After a while *Eric Pearson* and *John Nowack* decide it is time to take a little break by making shadow puppets.

## *Takes the Stage*

The Drama department's spring production of "Murder Takes the Stage" was full of murder and mystery. The play was basically a play within a play. The scenes took place in a small town at an old theater that was once a barn. The theater was planning on having a summer production in which big name stars, at one time or another, would be asked to perform. All of the cast members were friends and they all disliked the "would be" star of the show, Hazel Laverne. Almost everyone involved with this production had incentive to knock off Hazel. They all had the opportunity to do so, but only one man had enough cruelty to act upon his instincts. Bob Rayfield was that man, having once been married and currently being blackmailed by Hazel Laverne, Bob took matters into his own hands and decided that the perfect opportunity was upon him when they practiced the scene where he was supposed to shoot Hazel with blanks. Instead, he switched the blanks with real bullets and he shot and killed Hazel in order to end his long time struggle with her. Now he really has troubles in prison.

As the plot thickens the cast of "Murder Takes The Stage" thinks about the death of the cast member, Hazel Laverne, played by Michelle Green. Others witnessing the incident are: Mitzi Bond, Shelby Bungart; Miss Liz Truesdale, Kari Holtmeyer; Drew Pelman, Justin Rains; Hal Rush, Eric Pearson, Ellen Drake, Trisha Campbell; Sara Farnham, Jennifer Lovelace. Ann Martin portrayed by Jill Maher is shown mourning the unexpected death of her sister, but this relationship is unknown to the rest of the cast members.

*Designed to Perform*

# Speech and Debate Squad

The Speech and Debate squad is made up of three classes: Debate, Speech and Drama. The squad travels to several schools to compete in both debate and individual events. The schools they visited this year were Northwest, Sedalia, Buffalo, Stover, Warrensburg, Jefferson City, Osage, Cole Camp, Districts at Rolla and State at Columbia.

The students have their choice of competing in one man debate, Lincoln - Douglas, or two man debate, Cross Examination. In addition to debate most members also perform some individual events. The choices for these events are: Oratory, Dramatic Interpretation, Humorous Interpretation, Duet Acting, Improv. Duet, Prose, Poetry, Storytelling, Radio Speaking and Extemporaneous Speaking. The purpose for all these events is to give students the ability and confidence to speak and perform in front of an audience. It also provides a lot of practice for members interested in Drama or careers in law, broadcasting and even comedy.

*The guys of Debate Justin Rains, Brock Czeschin, Eric Van derduyt, Geoff Joacs, Steve Naught, Matt Henley and Todd Burris display their favorite magazine clippings. THA.*

As a student in Debate you will learn how to write a speech, argue your points and how to think on your feet. Besides all the work it's also a lot of fun as this quote from a team member shows, "Debate is an interesting experience which improves

your communication skills very much. You learn how to think fast and control your emotions while arguing. And it is a great way to meet people from other schools," said Junior Trisha Campbell.

# State

For the second year in a row the Eldon team has advanced three performers to State competition. Before advancing to State students must compete at the District level. Districts are held at the University of Missouri Rolla. In order to advance you must place in the top three for your event. This year the students who placed at Districts were Brock Czeschin, third place Extemp., Trisha Campbell, second place Prose and Justin Rains, first in Radio Speaking.

These students went on to compete at the University of Missouri Columbia for the State Speech and Debate Tournament. Over 600 students from around the State were there for the competition. Eldon student Justin Rains set a new Eldon Speech record when he placed fifth in Radio Speaking at State. The 92-93 school year was the most productive the squad has ever had.

Speech and Debate squad, first row, Brock Czeschin, Jantle Ressel, second row, Steve Naught, Eric VanLanduyt, Justin Rains, Matt Heuley, Todd Burzis, Geoff Jones, third row, Kari Holtmeyer, Jennifer Lovelace, Trisha Campbell, Suzan Edison and Kim Green.

Speech and Debate coach, David Bailey, talks with next door English teacher, Chris Spencer, on the days events.

Justin Rains practices for his upcoming performance in Radio Speaking at the University of Columbia during the State competition.

Speech and Debate students Justin Rains, Brock Czeschin, Eric VanLanduyt, Jill Maher, Shawn Moyer and Angulic Beard relax and watch T.V. in their hotel room during district competition at Rolla.

# Behind the Scenes

The 1992-93 Publications class performs "Behind the Scenes" in designing the Referet. For the first time in many years the staff decided to make the cover Maroon and Gold in keeping with school colors. The theme 'Designed to Perform' applies to students, athletes, scholars, and anyone else who walks the halls of Eldon High School.

The co-editors for the Referet this year are Jennifer Bonifacio and Jennifer Pittrich. They contributed lots of hard work and time making the yearbook different from what it's been before. Last years' book focused on trends and things that made statements. But this years' central theme is the students themselves.

Designing and making a yearbook is not all fun and games. There are deadlines to meet and being at the right place at the right time to get the picture you want. Also a new addition, were the ads sold to help with the cost of production. The staff did a good job in dedicating themselves to the responsibilities that came with being a part of the staff.

Senior April Hill works hard on her layout to meet the yearbook deadline.

Yearbook staff

Front row: April Hill, Angie Hayes, Stephanie LaDuke. 2nd row: Kerri Coffen, Jenni Pittrich, Erin Kincaid, Reagan Fucenire. 3rd row: Laura Pemberton, Robin Feltner, Jennifer Bonifacio, Courtney Hayes, Tiffany Hayes, Shannon Killday, Brock Czeschin. Not pictured are Seth Bunch and Geoff Jones.

*Senior Choir member Josh Harvey has made All-District Choir 3 years in a row and All-State Choir 2 years running. All-State Choir members travel to Tan-Tar-a, practice, and perform for the Missouri Music Educators Assoc. Harvey said, "It was fun, rewarding and I think it has made me a better musician."*

## Choir sings out

During the course of vocal music instructor Robert Sinclair's three years here at BHS, two new choirs have been added.

Between the three choirs a wide variety of vocal numbers are performed for concerts and different social groups throughout the community.

The Mixed Choir and Womens Choir have five different concerts throughout the year as well as Tri-County and district music contests.

This year the Chamber Choir performed for the governor at his mansion, at the Eldon Retirement Center, and The Daughters of The American Revolution.

Chamber Choir was also busy this year raising money for new uniforms.

The choirs closed out the year with an awards concert on May 17. The seniors spend the rest of their time working on the senior song for graduation and looking back as the underclassmen look forward at what is still to come.

Second row: Julie Gibson, Tisha

Chamber Josh Harvey District Choir and All-State Choir. All-State Choir performed for the Missouri Assoc. Harvey rewarding and I'd like me a better

## Simona Pusceddu

Simona came to Eldon from Oristano, Sardinia Italy, a town the size of Jefferson City. The high school she attended had about 3000 people instead of 500. At her school in Italy the students were only required to go to school until 1 p. m. rather than 3 p. m.

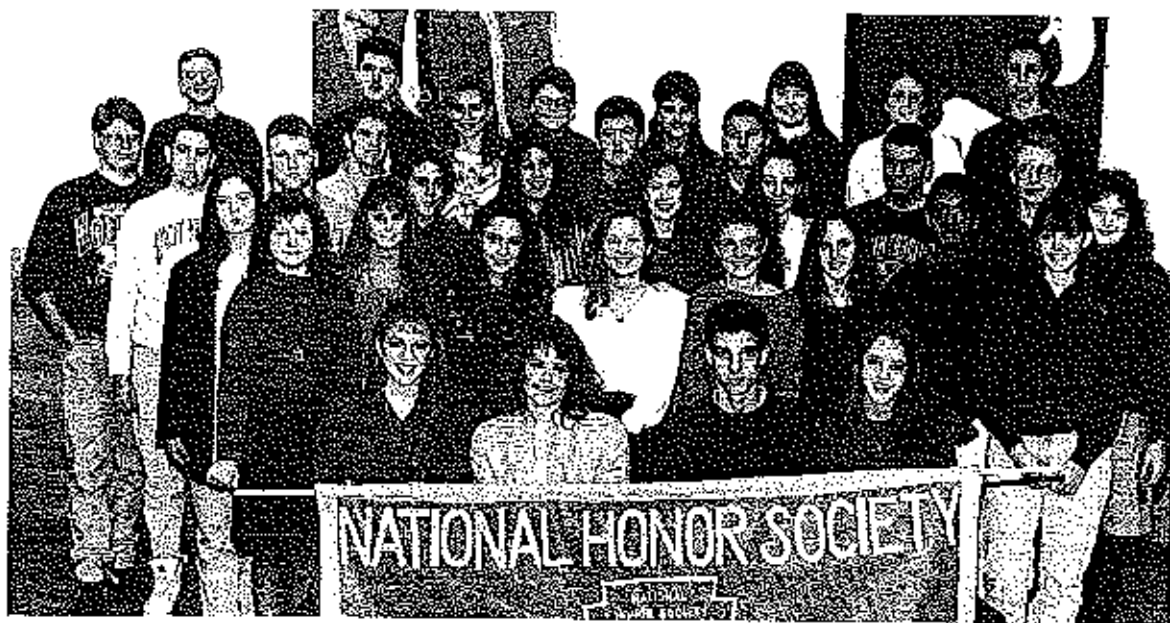

School in Italy was altogether a different story. Not only did students only go until 1 o'clock, they also stayed with twenty or thirty of the same people through five years of high school. They also didn't have to change classes like we do; their teachers came to them.

In Italy instead of choosing classes students choose the high school of their choice. It is like a school that specializes in some thing. She attends the high school for Accounting and Foreign Languages.

She says that school in America is really easy. In Italy they have oral tests in every class, in fifteen different classes, and they only have essay tests.

She says that while she has been in the U. S. she has met a lot of people that have made her at home. She says thanks!!

The 1992-1993 foreign exchange student was Simona Pusceddu. She is from Oristano, Sardinia Italy.

AFS members for the 1992-93 school year include: Simona Pusceddu, Secretary/Treasurer Kelly Locch; President, Sarah Hayes; Vice President, Denise Gibson; Historian, Melanie Spalding; and Faculty Advisor, Ms. Ingram. Second row: Seth Bunch, Angeleic Beard, Laura Pemberton, Brock Czeschin, Heather Perkin, Brandy Surface, Kelly Foster, Carolyn Vieira. Third row: Joshua Harvey, Jamie Ressel, Samantha Cornett, Kim Green, Lisa Burris, Marisa Parkins, and Julie Allen.

arts

Sophomore Jill Maher looks through a children's book for drama.

Members of Drama Club always provide color and entertainment to the Homecoming parade by dressing as clowns to pass out candy.

After retiring from the parade, Dana Davis, and a few minutes of old times during parade.

Sophomore Nikki Graham practices typing during keyboarding class. Many students take keyboarding to satisfy the practical arts graduation requirement.

A welcome break from the routine of the day comes during lunch time when students can relax and visit with friends.

## FFA hosts Barnwarming

In the midst of all the fall activities, FFA hosted its annual Barnwarming dance on October 24, 1992. The FFA members built a hay tunnel that everyone had to go through to be allowed in the dance. Also, there was a live band and the crowning of Barnwarming King and Queen. This event proved to have a whole lot of excitement and just down right fun.

In preparation of Barnwarming, each class elected who they wanted to

represent them. To vote on the final outcome of the king and queen, one penny meant one vote. This year's candidates were Crystal Atkinson, Todd Banner, Kelly Mihalj, Matt Davis, Raegan Oswald, David Scott, Jana Crain, Jason Blankenship, Holly Morris, Brandon Opie, Jill Jones, and Donald Alden. This year's winners were Brandon Opie and Jill Jones.

FFA crowns Jill Jones and Brandon Opie Barnwarming King and Queen as they are seated on hay throne with other candidates. Front row: Kelly Mihalj, Matt Davis, Crystal Atkinson and Todd Banner. Second row: Raegan Oswald and David Scott. Third row: Holly Morris, Donald Alden, Jana Crain, and Jason Blankenship.

Students sit on the hay bales to take a break from Barnwarming's festivities.

As the band finishes their gig of country music at Barnwarming, Patience Vernon and John Toth enjoy dancing the final song together as the dance comes to a close.

# StuCo: Tales from the Crypt

Senior  
of the

The Eldon Student Council sponsored the annual Haunted House October 28 and 30. The theme for this year was "Tales from the Crypt." This Haunted House had several new faces and several new rooms. These rooms are "The Live Operating Room", "The Swamp", and "The Ballroom." It also featured old favorites such as "The Butcher Shop", "Children's Playhouse" and "Evil Reflections."

The live operating room contained real pork liver, stomach and tongue. "The Haunted House is one of Student Councils fun and most favorite events of the year. They try to create a fun and also safe way to spend Halloween. Each year I am amazed at the creativity of the rooms," said Student Council Co-Sponsor Chris Spencer.

Senior Jonah Bax and Junior Marshall Mulcahy, perform surgery on Sophomore Justin Martin's arm, in this years Haunted House.

Seniors Kim Mayfield and Lori Suttic prepare for the Haunted House.

Seniors Jonah Bax and Marshall Medlock poise as construction workers in the Haunted House.

Senior Denise Gibson poses for a picture in the ballroom of the Haunted House.

Junior Erik VanLanduyt dresses as the Grim Reaper to lead people through the Haunted House.

Senior Phillip Holland sits at the head table along with many bones.

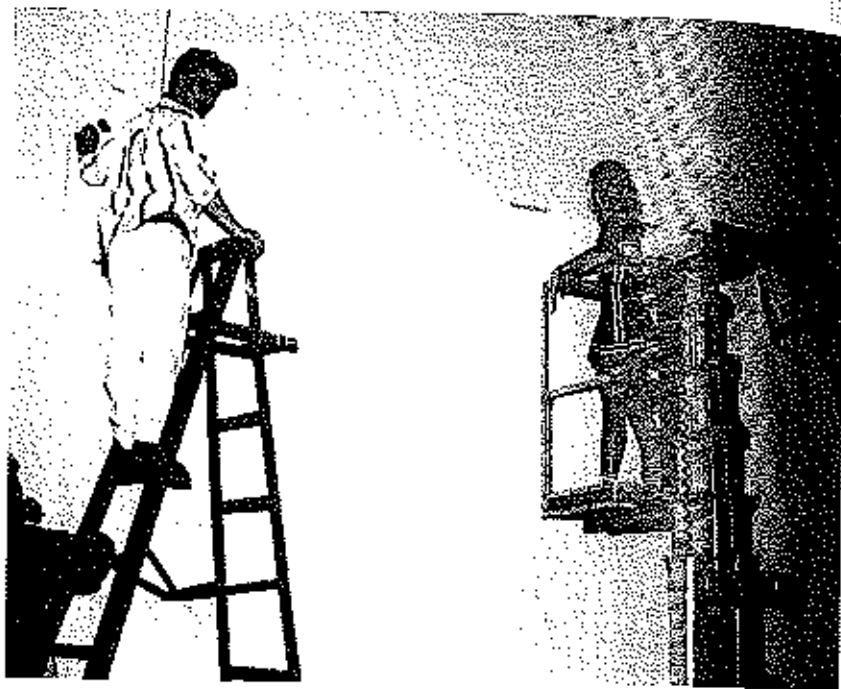

Senior Jennifer Bonifacio, Senior Kim Green, and Junior Trisha Cambell discuss how they plan to scare people.

# Winter Ball

The colors blue, silver & white all came together "ONE STARRY NIGHT" for the fourth annual EHS Student Council Winter Ball. After decorating all night, StuCo opened the doors to the dance everyone looks forward to during winter time. The dress is casual, but nice and the setting was as good as you can make the old gym look. But when the party started, the D. J. had the floor rocking with rappers, headbangers, slam-dancers, and high-stepping country boys.

Fun was had by all, and the night was filled with anything imaginable.

Student Council Members Brock Czeschin and Nichole Dunstan hang a back-drop for pictures and to add to the mood at Winter Ball.

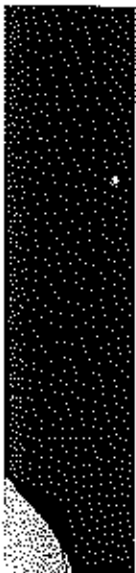

Couple Ty Cobb and Heather Medina were surprised with a picture in between songs.

Senior Samantha Cornett takes a break from the dance floor.

nce floor.

Senior Landon Albertson and Junior Erin Kincade, were the King and Queen for Winter Ball 1993.

After being crowned King and Queen, Landon Albertson and Erin Kincade have their royal dance.

Candidates for Winter Ball King & Queen were for King: Freshman, Clint Quigley; Sophomore, Matt Davis; Junior, Aaron Wood; Senior, Landon Albertson. For Queen: Freshman, Angie Hale; Sophomore, Kelli Mihalj; Junior, Erin Kincade; Senior, Samantha Cornett.

Students not dancing take time to socialize with their friends.

# Homecoming Royalty

On February 5, 1993, the Eldon Varsity Mustangs lined the basketball court as Samantha Cornett was crowned Courtwarming Queen. She was involved in Drama, FFA, FHA, NHS, and Chorus. The other two candidates were Jennifer Bonifacio and Amy Flaughter. Jennifer was involved in Cheerleading, Band Journalism, Publications, Graphics, Student Council, and Senior Class President. Amy was involved in NHS and Journalism.

The Freshman Maids were Erin Oswald and Heather Perkin. The Sophomore Maids were Jody Hoffman and Kelli Mihajij and the Junior Maids were Michelle Green and Erin Kincade.

The Eldon High School student body selected the Queen nominees and the maids. The students then voted for their favorite queen.

As the newly crowned queen and her court watched the entire basketball game from the court, the Mustangs romped the Tipton Cardinals.

Following the game, the student body attended a dance at the Old Gym to celebrate the night and the victory. The D. J. "Sound Designs" provided the entertainment and a wide variety of music for which to dance.

The retiring Courtwarming queen, Marcia Milburn poses for one final picture during her reign.

The 1993 senior queen candidates were Princess Jennifer Bonifacio, Queen Samantha Cornett and Princess Amy Flaughter.

Bardetl and Amanda Herriman.

# Spring Break '93

Spring break is the week students look forward to all year. Many students plan to spend their week out of town, some plan to work, and still others look at it as a week to relax and do absolutely nothing.

This year spring break took on a new meaning, considering that Good Friday was the only day off EHS students were able to enjoy. The many snow days that we had this year put a damper on our final break before summer. Whether it's a week off or one day, you can be assured that students at Eldon High School will be having fun and making the best of what little time off they do have.

Students, Angie Hayes and Robin Feltner start their new job at the Guess! Outlet during their day off from school.

Juniors Dana Gibson, Kari Bennett, Robin Feltner, Tiffany Hayes, Raegan Oswald, and Patience Vernon enjoy the sun for their one day off.

# Prom: Simply Unforgettable

May 8th proved to be a night of glitz, glamour, elegance and FUN! Striving to make this prom different, the junior class elected to have prom at Marina Bay Resort at Osage Beach. The colors pink and silver were displayed throughout the ballroom and the theme was "Unforgettable." The junior class also provided glasses for the girls and mugs for the guys. Key-chains with the theme printed on them served as tickets.

The students started the evening off by having their cars valet parked by Mr. Fred Norman and Mr. Barry Prewitt. Voting for Prom King and Queen took place as the students entered the ballroom and

found their seats. Flashes from cameras could be seen everywhere as friends took pictures of each other and their dates. Everyone took their seats as the junior class president, Erin Kincade, made a welcoming speech. Dinner was then served buffet style and entertainment was provided by fellow students. Halfway through the dance, the Master of Ceremonies, Erik VanLanduyt, announced the Prom King and Queen, Jonah Bax and Samantha Cornett. Even though it was windy and the traffic was terrible, the new ideas and changes were a success. The 1992-1993 prom was simply "Unforgettable."

Junior Mike Holland shows his class spirit as he hangs a balloon column on the staircase.

Before leaving for prom, seniors John Nowack, Landon Albertson and Brandon Opic smile as they await the excitement the night will hold for them.

The 1992-1993 Prom King and Queen were Jonah Bax and Samantha Cornett.

Seniors with h

Mike Brandt, Latisha Ahart and Jennifer Mihalj dance to the music that was provided by Bj the Deejay.

One of the most memorable events at prom is posing for pictures with your friends, as juniors Robin Feltner and Raegan Oswald show.

It's a hard job but someone has to do it, right? Junior Aaron Wood agrees as he receives kisses from junior twins Tiffany Hayes and Angie Hayes.

Senior Marty Rush and his date, Jana Crain, pose for a picture before dinner.

Junior Cory Remyan smiles while posing for a picture with his date, Laura Shephard.

Senior choir members group together one last time to sing their good-bye. They sang "It's So Hard to Say Goodbye to Yesterday" and "The Morning Trumpet", featuring a solo by trumpet player Marty Rush.

During the graduation practice, Principal, Larry Leech receives help from graduating senior Amanda Apperson.

At last graduation comes to an end and with all seriousness aside they wonder "Where's the party!?"!!

# Class of '93 - Designed to Perform

On May 23, as the band played the usual "Pomp and Circumstance" the class of '93 walked down the aisles of the Eldon High School gym one last time as seniors. Some students suddenly realized they were not students anymore, they are adults and it was time to straighten up. Some students realized they were spending their last few hours with some of their friends and it was time to cry. Some realized the hardest part was over and it was time to party, but most of all, the seniors knew they had accomplished at least one of life's goals.

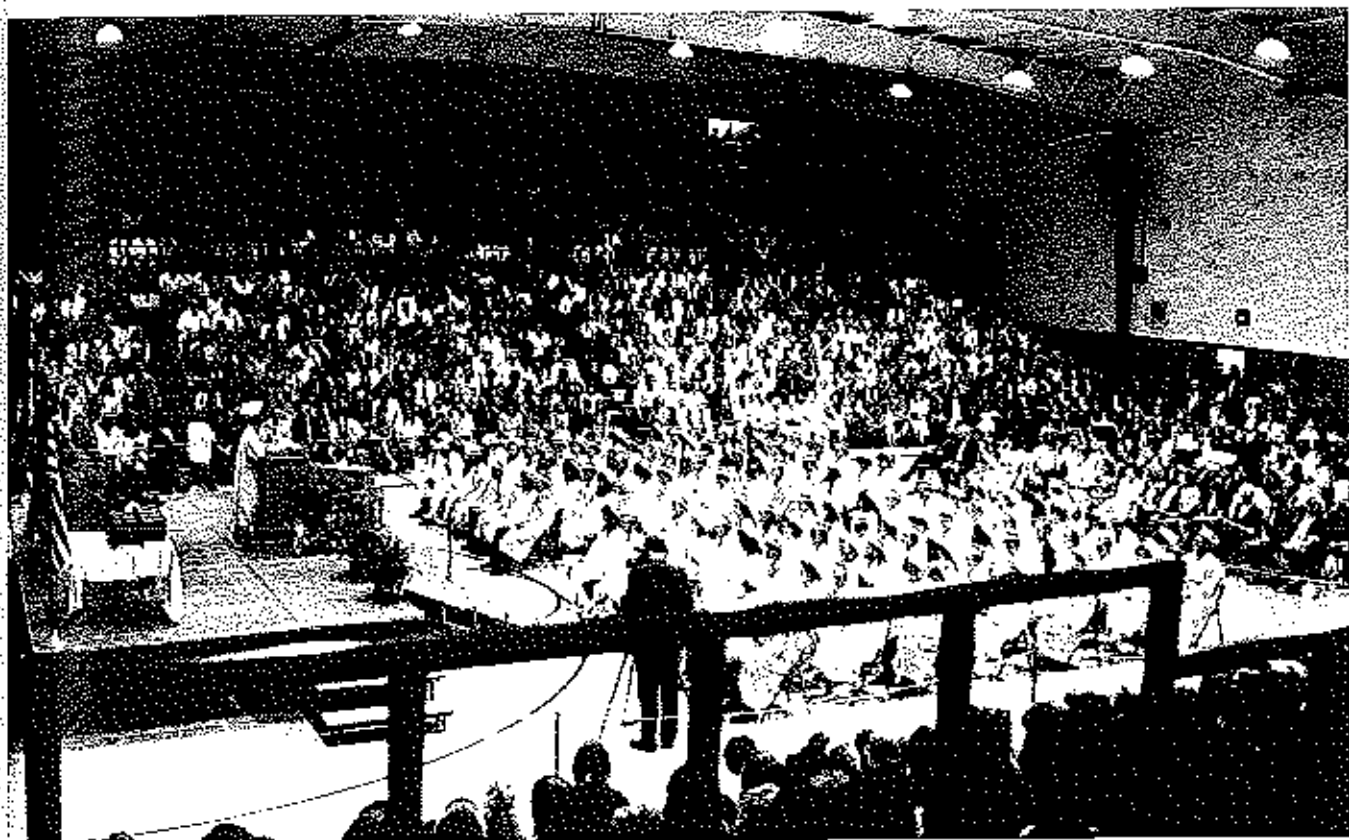

The senior class president, Jennifer Bonifacio, gave the goodbye speech to her senior classmates. The band jazzed it up one last time for the senior members, playing "Sea Gate Overture" by James Swearingen. The choir members did the same with the senior members

singing together one last time. "It's So Hard to Say Goodbye to Yesterday" (Allan Billingsley) and "The Morning Trumpet" (Robert Goetze) were also performed by the entire choir class. The guest speaker was Mr. Rob Frazee, chosen by the graduating class. He gave the class advice that they truly listened to and needed. Rencoc Pope was then presented with Salutatorian honors; Lori Suttie was then given the Valedictorian honors by Mr. Leech. After they finished their addresses to their peers and the crowd, Superintendent, Dr. Howard Neeley presented the diplomas. A sigh of relief passed over the faces of those that were signed and sheer horror over those that were not. After the lassels are changed and the hats thrown into the air with excitement, the class of '93 enter the world as adults.

As the class of '93 wonders what their future may bring, they listen to their senior class president, Jennifer Bonifacio.

Senior class president, Jennifer Bonifacio says goodbye to her fellow classmates and friends in her speech at the graduation ceremony.

# Behind the Performance

# EDITORS

1993

## \* Co-Editors Jennifer Pittrich and Jennifer Bonifacio \*

The students of EHS are what allowed the 1992-93 Referet staff to capture performances. Whether it was in academics, classroom work, athletics, or participating in various clubs, it was easy to see them striving towards some goal.

A lot of people deserve thanks for helping us in the production of this yearbook. Ms. Spencer and the Publications II class for contributing their time and great effort. The rest of the teachers for their patience in putting up with pictures and other classroom disturbances. But the student body is really what makes things possible. Recording their memories and performances has been a lot of fun for everybody and we hope it can set new ideas for next year and be good proof that students are "Designed to Perform".
