Another year of memories have passed; now, we look forward to the new and exciting moments that lay ahead. From remembering the horrible day when french fries were no longer served on Thursdays, to bringing back the Homecoming bonfire, we bring the '08-'09 year to a close. From the wise and experienced seniors to the still-learning freshmen, we end this year...

Ashley Hill, the 2008 Homecoming Queen, was the star of the September winning photo. This photo was taken on the field, after Ashley was crowned by Morgan Frogge, one of the EHS drum majors. The crisp lines and crystal color make this an amazing, winning photo.

How I Spent My Summer

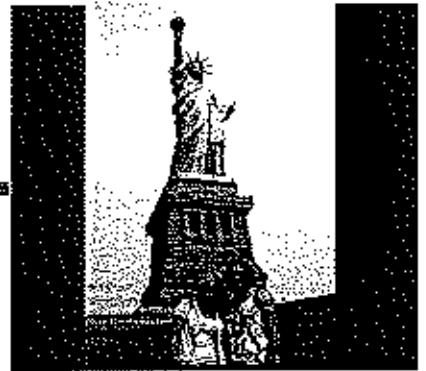

Before you knew it, summer seemed to come to a close. Many students would say that this summer was the greatest one of all. Whether the days consisted of chillin' out at the Eldon pool, or spending days enjoying the Lake, everyone knew how to have a great time. Whether they spent their whole summer playing sports or trying to make some money with their summer job..

The summer of
2008 was one to
remember

1. Josh Groce worked construction over the summer. 2. McKenzie Anderson spent much of her summer working at the Eldon Aquatic Center. 3. Courtney Braam volunteered at Camp Wonderland. 5. Katie Kirkweg and Erin Vernon spent many days fishing.

"I went to New York for a missions trip. We did a vacation bible school for a Filipino church. The city was beautiful and every night we went to Time Square."
-Emily Harbison

"My family and I took Ashley Ochoa to Walt Disney World, Florida. It was the longest trip ever. We drove down there. We stayed for a week in the Fort Wilderness cabins. We went to all of the parks including Typhoon Lagoon."
-Jenny Sanning

"My family and I went on vacation. We go to Houston, Texas every year because my family lives there. We visited my brother and his family because they just had a baby. We also traveled to Galveston and went to the beach and it was really really pretty."

I thought there was a tremendous amount of enthusiasm and great effort. I liked to see the involvement from our student body and community."

Below: Anna Porter, Tarah Luttrell, and Heather Shultie play a game to support the Sophomore Class.
 Kelsi Mueller says, "I'd have to say that my favorite memory of FFA is when we won 1st at Districts and I won 1st as an individual."

Play

Above: Pablo Carrillo and Anna Porter represent the sophomores in the obstacle course races.
 Pablo Carrillo says, "I remember that I broke the corn for the competition and the sophomores won for that. It was funny, I liked it a lot. The party in the end, when we just danced all night, was fun."

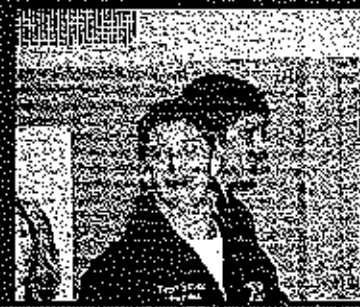

Below: Trevor Griswold and Chris Webery wait for the results of Barnwarming King and Queen to be announced.
 Chris Webery says,
 "My favorite activity at Barnwarming was probably the King and Queen Competitions, they were so much fun to watch. It was hilarious."

 "My favorite memory in FFA was winning state in Parliamentary Procedure my junior year, then competing at Nationals last October."

Above: Cole Wyrick and Bailey Salmons shuck corn cobs while competing for the freshman class.
 Whitney Dinwiddie says,
 "Even though I was a candidate this year my favorite part of of Barnwarming was still the dancing til you can't dance anymore, all your friends are there and it is just so much fun."

Laugh

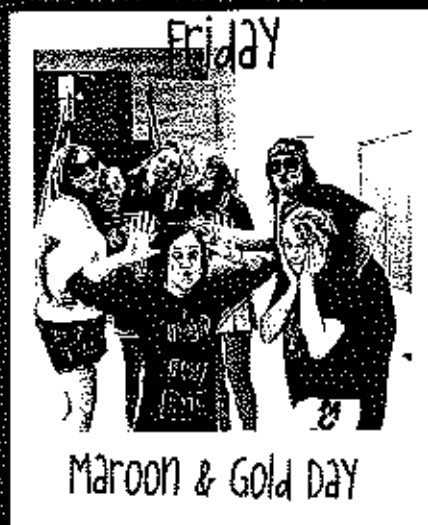

Courtwarming

Courtwarming was not
 a success, but it was a night
 we will not forget. The
 courtwarming presentation took
 place between the junior varsity and
 varsity games. The ladies were
 dressed in their most formal attire
 and the gentlemen were in their
 football gear. The night started
 with the presentation of the royal
 couple. Meagan Carroll and James
 Maleywine were announced the
 royalty of the night. The varsity
 game followed the presentation.
 The Mustangs came out on top
 that night. I believe whether we
 win or lose, Courtwarming night of
 '09 is one to remember.

This year was an outstanding one for the Eldon Mustangs Concert Band. They took two fantastic pieces to Tri-County and State. One was a flowing and exhilarating piece by Steven Reineke called *Towards A New Horizon*. The other was a very entertaining march called *We The People* by James Barnes. At both events, the band received a I. There were also many solos and ensembles that were entered. At Tri-County, there were 29 students entered in 19 events, resulting in 7 I's, 10 II's, and 2 III's. At Districts there were 31 students entered in 20 events, resulting in 7 I's, 9 II's, and 3 III's. Congratulations to all of the musicians that competed at state!
