Comments

"I love this club! I love the organization, and the people I meet all over the state. I've made friends for life thanks to the opportunities this club has provided. The club owns faces!" -Sumarlea Foster, President

"One of my favorite experiences in EARTH Key Club this year was District Convention. It was fun and amazing. Its an experience I will never forget. I learned new things and met so many different people, from the way they dress to the way they dance." -Georgia Witt, Secretary

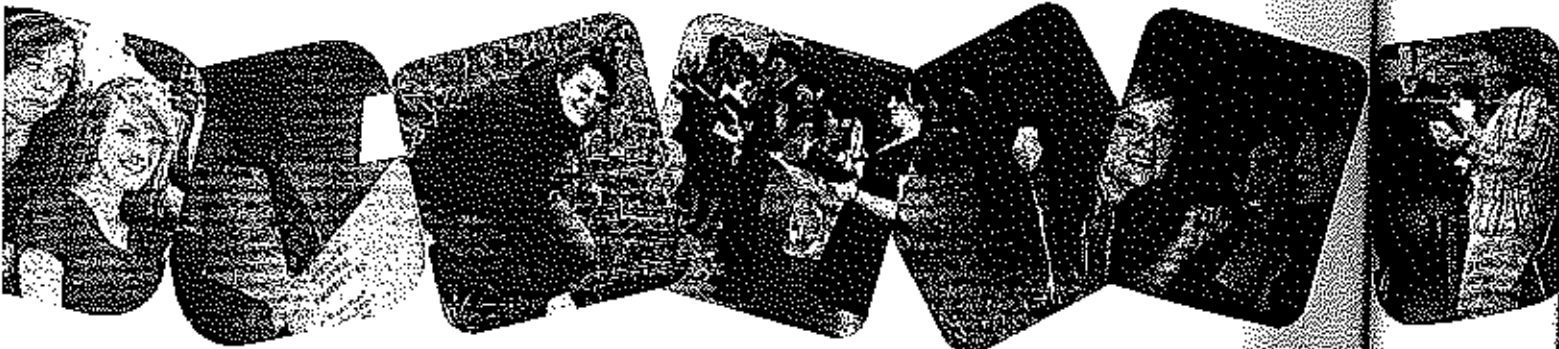

"I think EARTH Key Club is a great opportunity for students to be involved in their school and give back to their community. I really enjoy being a member of Key Club. It makes me feel good because I am playing a part in helping my community." -Jade Shreve, Treasurer

DECA

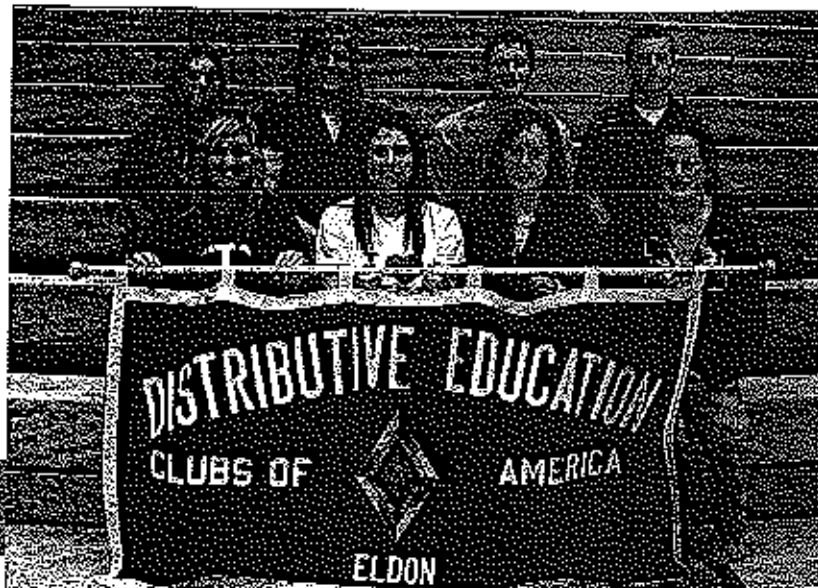

What was your favorite activity this year in DECA?

1. My favorite thing in DECA was the ICE CREAM!!!! Every once in a while we would stop at Dairy Queen on the way back from a contest. 2. Kylee said her favorite part of DECA were the pizza parties. 3. My favorite thing that we did was going to state. It was pretty amazing because there were crazy boys, there was a hypnotist, and a pet monkey. 4. The best thing this year was going to the Jefferson City Mall and all the contests we had.

Seniors

For the past four years, we have been stampeding through the halls of EHS. As our time in high school comes to an end, we remember all of the times we had, good and bad. From walking into the cafeteria at lunch for the first time, and being so scared that we weren't hungry anymore, to being a sophomore and realizing that we aren't smelly freshmen and we are growing up. Junior year was filled with drama and the excitement of finally being able to drive. Senior year creeps up on us and before we know it, graduation is only a few weeks away. Bittersweet goodbyes and promises to be friends forever linger in the air. As we walk across the stage to get our diplomas also take the memories and pride in the fact that we have made it this far and have

Project Prom

Project Prom was held May 2, 2009 immediately after Prom. Students gathered in the Middle School gym to enjoy an evening of festivities. There were many fun things to do such as Rapid Fire, a huge bounce house, the money game where people won money, large racing bikes, poker, caricature sketches and a hypnotist came to hypnotize 12 people. Students stayed at Project Prom until 3am. Following Project Prom, many students went for an early morning breakfast at Denny's. Many were very tired, but they still found a way to have a good time.

Graduation 127 2009

Our greatest fear is not that we are inadequate, but that we are powerful beyond measure. It is our light, not our darkness, that frightens us. We ask ourselves, who am I to be brilliant, gorgeous, handsome, talented and fabulous? Actually, who are you not to be? You are a child of God. Your playing small does not serve the world. There is nothing enlightened about shrinking so that other people won't feel insecure around you. We were born to make manifest the glory of God within us. It is not just in some; it is in everyone. And, as we let our own light shine, we consciously give other people permission to do the same. As we are liberated from our fear, our presence automatically liberates others. I have walked that long road to freedom. I have tried not to falter; I have made missteps along the way. But I have discovered the secret that, after climbing a great hill, one only finds that there are many more hills to climb. I have taken a moment here to rest, to steal a view of the glorious vista that surrounds me, to look back on the distance I have come. But I can only rest for a moment, for with freedom comes responsibilities, and I dare not linger, for my long walk is not ended. It is not merely to cast off one's chains, but to live in a way that respects and enhances the freedom of others.
