2010 Yearbook Staff

From August 2009 to May 2010, the five members of the yearbook staff have strived to document and record all of the memorable events that have taken place this year. From pep rallies and donkey basketball to beating California at courtwarming and dancing the night away at prom, we hope that you will look back at this past year and remember taking life one step at a time.

LAUREN BEARD

This summer we attended the Missouri All-State Lions Band Camp. We stayed for five days in Jefferson City. Then we went to St. Louis for a parade that was rained out. We then went to Minneapolis to march in the Lions International Parade. We went from there to the International Convention and a Beach Boys Concert. We made so many good friends and had such a great time.

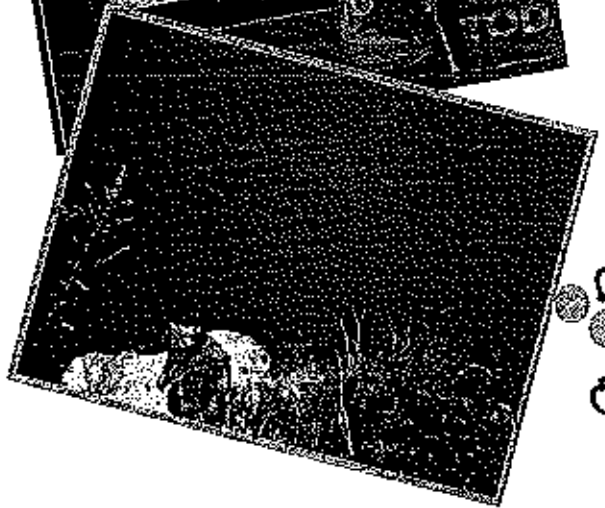

●●●●●●●●●●
COLE
WYRICK

This summer I went to the beach in Florida with my family. We went to many aquariums and we learned how to boogie board on the beach. One of the most memorable moments that I have was swimming with the dolphins.

●●●●●●●●●●
CHIVON SHURTS

This summer I went to New York for four days and visited my aunt and cousin in Connecticut. In this picture, I'm at the Today Show in Times Square. We also went to the Food Network Station. My favorite moment was riding the train from New York to Connecticut.

●●●●●●●●●●
MICHAEL
OVERTON

This summer I went to Boy Scout Camp in Laurie, MO for one week. The highlight of my time there was when I got to try my hand at blacksmithing and actually burnt my hand when doing so. In this picture I am diving down a cliff to the water below me.

GAME

Above: Brentl Reed, Emily Harrison, Morgan Frogge, Alex Apperson, and Cheyenne Stark line up to get their pictures taken as Homecoming Queen candidates. The Homecoming Queen was Morgan Frogge. Though the Elkin Mustangs lost this game, they still played strong, cheered loud, and never gave up hope. Everyone was cheering the team on including the cheerleaders, the student section, and the band.

COMING DANCE ★

The Homecoming Dance was a fun night for everyone at EHS. There were some students dancing, some singing and some talking all night long. HIC Queen Morgan Frogge and King Will Simpson danced the first slow dance of the night (pictured right).
