

REPORT SUMMARY SHEET

BOARD MEETING DATE: 2/19/2018

TITLE AND BRIEF DESCRIPTION: Health Service Program:

All students enrolled in Eldon R-1 School District, including students in the Eldon Career Center and Mustang Academy, have access to professional health services while attending school. Nurses at Eldon R-1 provide preventative interventions, maintenance interventions and crisis interventions to ensure the medical safety of students as well as specific medical services that need to be provided at school as designated in Individual Health Plans (IHP's), Section 504 Plans, and Individual Education Programs (IEP's)

ACTION DESIRED: Approval

BACKGROUND:

The primary goal of the Health Services Program is to promote the optimal health status of students, enabling them to take advantage of educational opportunities at school. This is accomplished through screening, monitoring, emergency first aid treatment, crisis response, administration of medications and maintenance of student health records.

RECOMMENDATION: Approval as presented.

SUPERINTENDENT'S APPROVAL: _____
