

OPTIONAL PARENT PORTAL ACCESS

Through this web-based system, Parent Portal, parents will be able to view their child's attendance history, schedule and grades based on three week progress reports.

Information for your child is available only with a password. All passwords are distributed through email. It will be your responsibility to keep this password private. We cannot issue any passwords via phone conversation. Passwords will not be issued to the student. You must have an email address to view your child's records in PARENT LINK.

Please provide the email address that you would like to use for student information notifications. You may use only one email address, for example, home or work, but email cannot be sent to both. Please fill in the correct email address on the line provided. This form must be submitted each school year for you to have access.
