Dear Parents/Guardians:

2020 Summer School transportation will be limited bus routes for the entire district. Designated stops will be available in your area. We want to make sure all students arrive at their afternoon destinations on the correct bus. Please read the bus descriptions located on the back and fill out the form below. Bus rosters will be created from these returned forms and drivers will pick up and drop off using the roster.

Bus riders in PK-3rd grades will be dropped off at South Elementary School. Upper, Middle and High School students will then be transported to their buildings

The bus routes description explains how the route will run and landmarks are listed to let you know where the bus will pick up. In town stops are listed specifically at designated safe locations.

Pick-up times will likely need to be adjusted after the second day of summer school.

Please complete this form and return to Office
