MORENet/Internet Access
User Agreement

MORENet access is now available to students and staff in the Eldon R-1 District. We are pleased to bring this access to Eldon Public Schools and believe this access offers vast, diverse and unique resources to both students and teachers. Our goal is providing this service to teachers and students is to promote educational excellence in Eldon Schools by facilitating resource sharing, innovation, and communication.

MORENet is an electronic network which accesses the Missouri Department of Education, library systems, and the Internet. The Internet is an electronic highway connecting thousands of computers all over the world and millions of individual subscribers. Through classroom activities, teachers and librarians will provide students with access to:

- Electronic mail communication
- Information and news from NASA and other research institutions and organizations
- Public domain and shareware of all types
- Discussion groups on a wide range of topics
- Access to many library services; university library catalogs; the Library of Congress; ERIC; and periodical databases

With access to computers and people all over the world also comes the availability of materials that may not be considered to be of educational value in the context of the school setting. Search strategies and supervised access will be utilized as precautions to restrict access to controversial materials. Student access to electronic mail and chat rooms will be under direct teacher supervision. We (Eldon R-1 Schools) believe that the valuable information and interaction available far outweighs the possibility that users may procure material that is not consistent with the educational goals of Eldon R-1.

The Eldon R-1 School District is responsible for securing its network and computing systems in a reasonable and economically feasible degree against unauthorized access and/or abuse, while making them accessible for authorized and legitimate users. This responsibility includes informing users of expected standards of conduct and the punitive measures for not adhering to them. Any attempt to violate the provisions of this policy will result in cancellation of user privileges and disciplinary action, regardless of the success or failure of the attempt. A user is required to use network resources in an efficient, ethical, and legal manner. Your signature on the attached contract is legally binding and indicates that you have read the terms and conditions carefully and understand their significance.

Based upon the acceptable use guidelines outlined in this document, the system administrator may deny access at any time as required. The administrators, faculty and staff of the Eldon R-1 District may request the system administrator to deny, revoke or suspend specific user access.

School Safety Alert: District’s Bus Transfer Requests Policies and Procedures

BUS TRANSFER REQUESTS
The Eldon School District continuously strives to maintain and improve its operation as a Safe School District for all students and staff. One area that the District needs continued parent cooperation is in following the District’s procedures and policies for requesting bus transfers for students because of childcare and related reasons. When moving please provide an updated proof of residency.

On the reverse side of this sheet is a copy of the District’s Bus Transportation Request Form. Please note that all bus transfer requests are to be in writing on this form and they are to be made in advance, at least three (3) school days prior to the requested transfer start date. The time is necessary to insure that the transfer is consistent with Board policy and that all parties (Building Official, Homeroom Teacher, Bus Driver, and Transportation Office) are informed in a timely manner.

BUS STOP POLICIES AND PROCEDURES
By state law, all bus drivers must carry with them a roster of all students riding their bus. Please fill out the information on the backside of this form so that your student(s) will be included on the roster the first day of school.
It is the Parent/Guardian’s responsibility to have your child at the designated bus stop at least 3 minutes before the morning pick-up time and drop-off time in the afternoon. This allows extra time for a safe pick-up and drop-off in case of unforeseen circumstances, road conditions, inclement weather, substitute drivers, or mechanical problems.

Students will only be allowed to ride one bus to one destination, either home or to an alternate site. This is important because drivers and other school personnel cannot keep up with the high volume of daily changes in home destinations and some buses are filled to near capacity.

Students will not be allowed to ride a different bus except in emergency situations. It is the parent’s responsibility to make other arrangements.

All students riding a bus to and from school or any school activity are subject to rules of the Eldon R-I School Board, Department of Elementary and Secondary Education and the laws of the State of Missouri. Any misbehavior, which distracts the driver, is a very serious hazard to the safety of all passengers and other motorists on the road.

Please read the following Eldon R-I School Assertive Discipline Plan for buses. Talk with your child concerning the contents of the plan and the consequences of misconduct. Your support and cooperation are needed and appreciated.

Discipline Guidelines for Buses
1. Obey the driver promptly
2. Stay seated until the bus comes to a complete stop
3. Keep hands, feet, and items to yourself at all times and no throwing objects
4. No offensive language or disruptive behavior
5. No food, candy, gum, or beverages on the bus
6. No large equipment, animals, skateboards or other harmful objects on the bus

Consequences
1. Verbal warning issued.
2. Assigned seat given by the driver.
3. Contact parent/guardian and the building principal
4. Sent to the principal with a recommendation for suspension of bus privileges.

Severe Clause
Visit the principal with a minimum three-day (3) suspension of bus privileges recommended.

Contact your children(s) building principal if you have any questions or need assistance with the above bus procedures and policies.

- Parent/Guardian (Imm.P.11) and Medical (Imm.P.12) exemptions are allowed. The appropriate exemption card must be on file. Unimmunized children are subject to exclusion from child care/preschool when outbreaks of vaccine-preventable diseases occur.

- To remain in child care/preschool, children "in progress" must have an Immunization In Progress form (Imm.P.14) on file. In progress means that a child has begun the vaccine series and has an appointment for the next dose. This appointment must be kept and an updated record provided to the facility. If the appointment is not kept, the child is no longer in progress and is noncompliant. (i.e., Hep B vaccine series was started but the child is not yet eligible to receive the next dose in the series.)

2020-2021 Missouri School Immunization Requirements

- All students must present documentation of up-to-date immunization status, including month, day, and year of each immunization before attending school.

- The Advisory Committee on Immunization Practices (ACIP) allows a 4-day grace period. Students in all grade levels may receive immunizations up to four days before the due date.

- Required immunizations should be administered according to the current Advisory Committee on Immunization Practices Schedule, including all spacing, (http://www.cdc.gov/vaccines/schedules/index.html).

- To remain in school, students "in progress" must have an Immunization In Progress form (Imm.P.14) on file. In progress means that a child has begun the vaccine series and has an appointment for the next dose. This appointment must be kept and an updated record provided to the school. If the appointment is not kept, the child is no longer in progress and is noncompliant. (i.e., Hep B vaccine series was started but the child is not yet eligible to receive the next dose in the series.)

- Religious (Imm.P.11A) and Medical (Imm.P.12) exemptions are allowed. The appropriate exemption card must be on file. Unimmunized children are subject to exclusion from school when outbreaks of vaccine-preventable diseases occur.

Greetings from South Elementary Food Service

Dear Parents of South Elementary Students,

South Elementary School participates in the Universal Breakfast Program, which allows every student to eat breakfast FREE. Students in grades K-3 will be served a nutritious breakfast in their classroom. Students in Pre-K and Early Childhood Pre-School will be served their FREE breakfast as a class in the cafeteria. Every student will get a well-balanced breakfast for FREE.

Studies have shown that students who eat breakfast at school have shown improvement in academic performance, health and behavior. Students who eat breakfast at school are more alert, comprehend better, have improved concentration and memory which allows them to learn with ease.

Our Food and Nutrition Services Department looks forward to serving your students breakfast and want to wish you and your students a great 2019-2020 school year!

Thank You,

Shawndra Taylor, Food Service Director

Sheila Salmoni, Kitchen Manager, South Elementary

Eat a healthy breakfast!
The Missouri Virtual Instruction Program (MOVIP) transitioned to the Missouri Course Access and Virtual School Program (MOCAP) as a result of updates to Section 161.670, RSMo. Information about state funding for students enrolled in virtual education can be found in Section 162.1250, RSMo. Missouri students may enroll in MOCAP courses for the fall and spring semesters. MOCAP is not available in the summer.

**What Is a MOCAP Course?**

Section 162.1250, RSMo sets out the requirements for all virtual courses. Not all virtual courses are approved MOCAP courses. Courses listed on the MOCAP Course Catalog have been checked for compliance by the Department of Elementary and Secondary Education (DESE). The local education agency (LEA) must vet all other virtual courses to ensure that statutory requirements have been met. In order for students to enroll in MOCAP courses, LEAs must have a secure method to send a student’s MOSIS ID and date of birth to courseware providers.

MOCAP courses have been through a stringent review process, including:

- Course alignment to Missouri Learning Standards
- Web Content Accessibility Guidelines (WCAG 2.0)
- Data security review
- Missouri appropriately certificated teachers
- College Board approval of Advanced Placement (AP) courses in the catalog

MOCAP providers have agreed to:

- reporting requirements (including course completion and learning gains)
- invoicing requirements
- a price cap of 7% per semester and 14% per year, per course, based on the June State Adequacy Target

**Course Catalog**

MOCAP’s course catalog link, [mocap.mo.gov/catalog/](http://mocap.mo.gov/catalog/) displays contact information for providers to be contacted directly to register for courses.

**MOCAP Policies**

An LEA shall inform parents of their child’s right to participate in the program. Availability should be made clear in the parent handbook, registration documents, and featured on the LEA’s homepage.

**Individual Learning Plans (ILP) or Individual Career and Academic Plans (ICAP)**

Students taking more than two MOCAP courses must have an individualized learning plan maintained in the LEA’s student records. An LEA may develop its own learning plan for students or use the ICAP that is available through the Office of College and Career Readiness under School Counseling.

Phone 573-751-2453 • mocap.mo.gov • dese.mocap@dese.mo.gov
Student’s Appeal Process
There is an appeal process if a student is denied access to a MOCAP course. Please refer to Section 161.670, RSMo to learn about the LEA’s responsibility in the MOCAP appeal process. Parent/guardians must first work with the LEA before submitting the appeal to DESE. Parents/guardians may only submit the documentation provided by the local school board to the MOCAP Appeal website. The LEA will receive notification of the appeal and a copy of the submitted documentation. Only MOCAP courses offered during the regular school year are eligible for appeal. The appeal process does not apply to summer school or virtual courses that are not MOCAP approved.

MOSIS – August Core Data Cycle, Screen 3
The contact person entered on Screen 3 will receive information about MOCAP appeals and updates to the program. Please ensure this contact is accurate. It is critical that this information is always current.

Reporting for Virtual Education in MOSIS
- MOCAP requires that all teachers be appropriately certificated. Attendance hours for any educator without a valid Missouri teaching certificate will not be allowed for state aid purposes.
- Virtual courses will use Exhibit 34 – Instruction via Technology for delivery systems.

Program Code 50 in MOSIS
- LEAs will identify MOCAP courses with Program Code 50 in their MOSIS October Cycle – Course Assignment.
- For student courses identified with the Program Code of 50, the educator course and educator do not need to be reported in the Course Assignment, Educator Core, or the Educator School files because the appropriate certification has already been verified by MOCAP.

Program Code 52 – Curriculum Only in MOSIS
- LEAs will identify MOCAP curriculum only with Program Code 52- in their MOSIS October Cycle – Course Assignment.
- For MOCAP curriculum-only courses, an LEA must use an appropriately certificated teacher.
- For courses that do not have a MOCAP teacher, the LEA will report educator information in the MOSIS October Cycle – Educator Core and Educator School.
- If an LEA does not have an appropriately certificated teacher, the course cannot be reported as a MOCAP course. Therefore, do not enter a program code; enter only the delivery system from Exhibit 34.

LEAs as Courseware Providers That Are NOT in the MOCAP Course Catalog
- Section 162.1049, RSMo requires nonresident district and resident district shall accept each other’s credits.
- LEAs may develop and provide online courses for other LEAs if standards in Section 162.1250, RSMo have been met.
- When purchasing virtual education from a Missouri LEA, the educating LEA (receiving) must coordinate with the sending LEA (where the student is enrolled) under the Cooperative Agreement - Resident 1.
- These are not MOCAP courses, so do not enter a program code; enter only the delivery system from Exhibit 34.

For more information about MOCAP, please contact DESE.MOCAP@dese.mo.gov or 573-522-3651 or visit the MOCAP website.
