

Attendance Guidelines at School Events

After receiving recommendations and guidance from state and local health officials, the Eldon School District has made the decision to limit attendance to all games and performances beginning next week. Starting November 30 the district is tying crowd size limits to 3 categories.

On November 30, we will be in a Category 1 restriction.

Movement from one category to another will be dependent on guidance from the state and local health officials who will review data weekly.

All games at the HS gym will be streamed through YouTube.

CATEGORY 1 15% Capacity
