

Eldon R-1 Athletic Code of Conduct:

Covered activities include those that are regulated by the Missouri State High School Activities Association (MSHSAA), excluding all activities in which students receive an academic grade for participation.

The Athletic Department believes that the athletics sponsored by the school district are a vital part of the total educational program and should be used as a means of developing social interactions, as well as knowledge and skills. It is further believed that student-athletes participating in the sports program are role models and serve in a leadership capacity for the student body. Therefore, these student-athletes participating in extracurricular activities are held to a higher standard of conduct both at school and in the community.

All student-athletes participating in the sports program are subject to district suspension and discipline. All athletes must comply with all policies, eligibility requirements, rules, and procedures established by the district and established by the Missouri State High School Activity Association (MSHSAA) including by laws relating to citizenship (MSHSAA, By-Law 212.0) as they apply.

All coaches will enforce and all Athletes will adhere to the following codes:

The use, possession, and/or distribution of alcohol, tobacco or drugs will not be tolerated during a student's participation in extracurricular sport. Athletes should avoid placing themselves in situations where their guilt or innocence may be questioned. Should the school be made aware of any use, possession, and/or distribution of alcohol, tobacco or drugs through law enforcement contact, faculty witness or self-confession, the administration will investigate the allegations and take appropriate action. Should the investigation validate the allegation, the student will be disciplined using the following guidelines.

Drugs: See Policy JFCL

Alcohol: (after student is charged): See Policy JFCL

Tobacco: See Policy JG-R

Unexcused Absences/Out-Of-School Suspension O.S.S./In-School Suspension I.S.S.: Students will be unable to participate in any manner, in extracurricular and co-curricular activities during the twenty-four hour period (midnight to midnight) if they were assigned ISS, OSS, or an unexcused absence. Team members recognize that they must display respect for their coaches, their teammates, their school, the opposing team, the officials, equipment, facilities, and themselves. Disrespectful behavior will NOT be tolerated. Coaches will handle discipline at their discretion, for respect issues. (Refer to Student Handbook re: unsportsmanlike conduct pg. 35)
