## INDEPENDENT AUDITOR'S REPORT

To the Board of Education of the  
Eldon R-I School District  
Eldon, Missouri:

Report of the Audit of the Financial Statements

### *Opinions*

We have audited the accompanying cash basis financial statements of the governmental activities and each major fund of the Eldon R-I School District (the "District"), as of and for the year ended June 30, 2024, and the related notes to the financial statements, which collectively comprise the District's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective cash basis financial position of the governmental activities and each major fund of the District, as of June 30, 2024, and the respective changes in cash basis financial position thereof for the year then ended in accordance with the cash basis of accounting described in Note 1.

### *Basis for Opinions*

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the District, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

### *Emphasis of Matter – Basis of Accounting*

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinions are not modified with respect to this matter.

### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the cash basis of accounting described in Note 1, and for determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### *Auditor's Responsibilities for the Audit of the Financial Statements*

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control- related matters that we identified during the audit.

### *Supplementary Information*

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the District's basic financial statements. The accompanying Schedule of Expenditures of Federal Awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Expenditures of Federal Awards is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

### *Other Information*

Management is responsible for the other information included in the annual report. The other information comprises the introductory and statistical sections but does not include the basic financial statements and our auditor's report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

### *Other Reporting Required by Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated November 14, 2024, on our consideration of the District's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control over financial reporting and compliance.

ELDON R-I SCHOOL DISTRICT  
NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED JUNE 30, 2024

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

The Eldon R-I School District (the “District”) is a political subdivision of the State of Missouri and is governed by an elected seven member Board of Education.

As discussed further in Note 1, these financial statements are presented in accordance with the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America (“U.S. GAAP”) established by the Governmental Accounting Standards Board (“GASB”). These cash basis financial statements generally meet the presentation and disclosure requirements applicable to U.S. GAAP, in substance, but are limited to the elements presented in the financial statements and the constraints of the measurement and recognition criteria of the cash basis of accounting.

Financial Reporting Entity

The District’s financial reporting entity is comprised of the following:

Primary Government: Eldon School District

Basis of Presentation

Government-Wide Financial Statements

The Statement of Net Position and Statement of Activities display information about the reporting government as a whole within the limitations of the cash basis of accounting. They include all funds of the reporting entity except for fiduciary funds. The Statements distinguish between governmental and business-type activities. Governmental activities generally are financed through taxes, intergovernmental revenues, and other non-exchange revenues. Business-type activities are financed in whole or in part by fees charged to external parties for goods or services. The District currently does not have business-type activities.

FOR THE YEAR ENDED JUNE 30, 2024

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

Basis of Presentation (Continued)

Fund Financial Statements

Fund financial statements of the reporting entity are organized into funds, each of which is considered to be a separate accounting entity. Each fund is accounted for by providing a separate set of self-balancing accounts that constitutes its assets, net position or fund balance, receipts, and disbursements. The District's funds are organized into one major category: governmental. The District presently has no fiduciary or proprietary funds. An emphasis is placed on major funds within the governmental category. A fund is considered major if it is the primary operating fund of the District or meets the following criteria:

- Total assets, receipts, or disbursements of that individual governmental fund are at least 10 percent of the corresponding total for all funds of that category or type, and
- Total assets, receipts, or disbursements of the individual governmental fund are at least 5 percent of the corresponding total for all governmental funds combined.

The funds of the financial reporting entity are described below:

The Missouri Department of Elementary and Secondary Education has directed the following governmental funds to be treated as major:

Governmental Funds

General Fund – The General Fund is the primary operating fund of the District and is always classified as a major fund. It is used to account for all financial resources not accounted for and reported in another fund, including student activities, food service, and textbook funds which are not designated in a separate fund.

Special Revenue Fund – The Special Revenue Funds are used to account for the proceeds of the specific revenue source that are either legally restricted or committed to disbursements for specified purposes other than debt service or capital projects. The reporting entity includes the following special revenue fund:

Teachers' Fund – The Teachers' Fund is used to account for disbursements for certified employees involved in administration and instruction. It includes receipts restricted by the State of Missouri for the payment of teachers' salaries and the local tax levy.

FOR THE YEAR ENDED JUNE 30, 2024

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

Basis of Presentation (Continued)

Fund Financial Statements (Continued)

Governmental Funds (Continued)

Debt Service Fund – The Debt Service Fund is used to account for the accumulation of resources for, and the payment of, principal, interest, and fiscal charges on general long-term debt.

Capital Projects Fund – The Capital Projects Fund is used to account for and report financial resources restricted, committed, or assigned for capital outlays; including the acquisition or construction of specific capital facilities or other capital items. It also accounts for the proceeds of long-term debt, taxes, and other receipts designated for construction of major capital assets and all other capital outlay.

Measurement Focus and Basis of Accounting

Measurement focus is a term used to describe what transactions or events are recorded within the various financial statements. Basis of accounting refers to when and how transactions or events are recorded, regardless of the measurement focus applied.

Measurement Focus

In the Government-Wide Statement of Net Position and the Statement of Activities, governmental activities are presented using the economic resources measurement focus, within the limitations of the cash basis of accounting, as defined below:

In the fund financial statements, the current financial resources measurement focus, as applied to the cash basis of accounting, is used as appropriate:

All governmental funds utilize a current financial resources measurement focus within the limitations of the cash basis of accounting. Only current financial assets are generally included on their Balance Sheets. Their operating statements present sources and uses of available spendable financial resources during a given period. These funds use fund balance as their measure of available spendable financial resources at the end of the period.

ELDON R-I SCHOOL DISTRICT  
NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED JUNE 30, 2024

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

Measurement Focus and Basis of Accounting (Continued)

Basis of Accounting

The financial statements are presented in accordance with the cash basis of accounting, which is a basis of accounting other than U.S. GAAP as established by the GASB. The cash basis of accounting differs from U.S. GAAP primarily because certain assets and their related revenues (such as accounts receivable and revenue for billed or provided services not yet collected and other accrued revenue and receivables) and certain liabilities and their related expenses or expenditures (such as accounts payable and expenses for goods or services received but not yet paid and other accrued expenses and liabilities) are not recorded in these financial statements. In addition, other economic assets that do not arise from a cash transaction or event are not reported, and the measurement of reported assets does not involve adjustment to fair value.

If the District utilized accounting principles generally accepted in the United States of America, the fund financial statements for governmental funds would use the modified accrual basis of accounting. All government-wide financial statements would be presented on the accrual basis of accounting.

Financial Position

Cash and Cash Equivalents

For the purpose of financial reporting, cash and cash equivalents include all demand and savings accounts and certificates of deposit or short-term investments with an original maturity of three months or less from date of purchase.

Capital Assets

As a result of the use of the cash basis of accounting, capital assets are recorded as disbursements at the time of purchase and, therefore, no balances for assets or accumulated depreciation are reported in the Balance Sheet.

Restricted Assets

Restricted assets include assets that are legally restricted as to their use. The primary restricted assets are accounts restricted for debt service.

ELDON R-I SCHOOL DISTRICT  
NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED JUNE 30, 2024

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

Financial Position (Continued)

Long-Term Debt

Long-term debts arising from cash transactions for governmental funds are not reported as liabilities in the fund financial statements. The debt proceeds are reported as other financing sources and payment of principal and interest are reported as disbursements. The District's long-term debt consists primarily of bonds payable and certificates of participation.

Net Position/Fund Balance Classifications

*Government-Wide Financial Statements:*

Net position is classified and displayed in two components:

*Restricted* – Consists of restricted assets with restriction constraints placed on the use either by external groups, such as creditors, grantors, contributors, or laws and regulations of other governments, or law through constitutional provisions or enabling legislation.

*Unrestricted* – Net amount of assets that are not included in the determination of the restricted component of net position.

It is the District's policy to first use restricted net resources prior to the use of unrestricted net resources when a disbursement is incurred for purposes for which both restricted and unrestricted net resources are available.

*Fund Financial Statements:*

Governmental fund equity is classified as fund balance.

The difference among assets of governmental funds is reported as fund balance and classified as nonspendable, restricted, committed, assigned, and unassigned based on the respective level of constraint. These constraints are defined as follows:

- **Nonspendable:** Amounts that cannot be spent because they either are not in spendable form or are legally or contractually required to be maintained intact.
- **Restricted:** Amounts constrained regarding use from restrictions externally imposed by creditors, grantors, contributors, or laws or regulations of other governments or by restrictions imposed by law through constitutional provisions or enabling legislation.

NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED JUNE 30, 2024

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

Financial Position (Continued)

Net Position/Fund Balance Classifications (Continued)

*Fund Financial Statements: (Continued)*

- **Committed:** Amounts constrained regarding use for specific purposes pursuant to requirements imposed by formal action of the District’s highest level of decision-making authority (i.e. the Board of Education).
- **Assigned:** Amounts constrained by the District’s intent to be used for specific purposes but that are neither restricted nor committed. Intent can be expressed by the District’s Board of Education or by an official body to which the Board of Education delegates authority.
- **Unassigned:** The residual classification of the General Fund for spendable amounts that have not been restricted, committed, or assigned to specific purposes.

The Board of Education establishes (and modifies or rescinds) fund balance commitments by passage of a motion or a resolution. This is typically done through adoption and amendment of the budget. A fund balance commitment is further indicated in the budget document as a designation or commitment of the fund (such as for special incentives). Assigned fund balance is established by the Board of Education through adoption or amendment of the budget as intended for specific purposes (such as the purchase of capital assets, construction, debt services, or for other purposes).

In the General Fund, the District strives to maintain an unassigned fund balance not less than 10% of the actual disbursements for the prior fiscal year.

**Order of Spending**

It is the District’s policy to first use restricted fund balances prior to the use of unrestricted fund balances when a disbursement is incurred for purposes for which both restricted and unrestricted balances are available. It is also District policy to use committed fund balances before assigned fund balances and assigned fund balances before unassigned amounts when a disbursement is incurred for purposes for which amounts in those classifications are available to be used.

Receipts and Disbursements

Program Receipts

In the Statement of Activities, receipts that are derived directly from each activity or from parties outside the District are reported as program receipts. The District has or may have the following program receipts:

<i>Program Receipts</i>	<i>Examples</i>
Charges for Services	Tuition, adult/continuing education, transportation fees, sales, rentals, community services, food services – non program, admissions, student organization membership dues and fees
Operating Grants and Contributions	Gifts, professional development committee portion of basic formula funds, state transportation funds, various state and federal grants
Capital Grants and Contributions	Gifts, various state and federal grants

All other governmental receipts are reported as general. All taxes are classified as general receipts even if restricted for a specific purpose.

Disbursements

In the government-wide financial statements, disbursements are reported on the cash basis of accounting and are classified by function for governmental activities.

In the fund financial statements, disbursements are classified as follows: District.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

Internal and Interfund Balances and Activities

Fund Financial Statements:

Interfund activity resulting from cash transactions or events, if any, within the governmental fund categories is reported as follows in the fund financial statements:

- Interfund loans – Amounts provided with requirement for repayment are reported as interfund receivables and payables.
- Interfund reimbursements – Repayments from funds responsible for certain disbursements to the funds that initially paid for them are not reported as reimbursements but as adjustments to disbursements in the respective funds.
- Interfund transfers – Flow of assets from one fund to another when payment is not expected are reported as transfers in and out.
- Interfund services – Sales or purchases of goods and services between funds are reported as receipts and disbursements.

Government-Wide Financial Statements:

Interfund activity and balances resulting from cash transactions or events, if any, are eliminated or reclassified in the government-wide financial statements as follows:

- Internal balances – Amounts reported in the fund financial statements as interfund receivables and payables are eliminated in the governmental columns of the Statement of Net Position.
- Internal activities – Amounts reported as interfund transfers in the fund financial statements are eliminated in the government-wide Statement of Activities except for the net amount of transfers between governmental activities, which are reported as Transfers – Internal Activities. The effects of interfund services between funds are not eliminated in the Statement of Activities.

Use of Estimates

The preparation of financial statements in accordance with the cash basis of accounting used by the District requires management to make estimates and assumptions that affect certain amounts and disclosures; accordingly, actual results could differ from those estimates.

NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED JUNE 30, 2024

NOTE 2 – CASH AND CASH EQUIVALENTS:

Deposits

The District maintains a cash and temporary cash investment pool that is available for use by all funds except the Debt Service Fund (State law requires that all deposits of the Debt Service Fund be kept separate and apart from all other funds of the District). Each fund type's portion of this pool is displayed on the Balance Sheet – Cash Basis – Governmental Funds as “Cash and Cash Equivalents” under each fund's caption.

*Custodial Credit Risk* – Missouri statutes require that all deposits with financial institutions be collateralized in an amount at least equal to uninsured deposits. As of the year ended, the carrying amount of the District's deposits was \$22,111,283, and the bank balance was \$23,668,090. The bank balances were covered, in combination, by the Federal Depository Insurance Corporation (FDIC), across multiple financial institutions, and by collateral held at the District's safekeeping bank agent, in the District's name.

*Investment Interest Rate Risk* – The District has no formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

*Concentration of Investment Credit Risk* – The District places no limit on the amount it may invest in any one issuer. As of the year ended, the District had no concentration of credit risk.

*Investment Credit Risk* – The District may purchase any investments allowed by the State Treasurer. These include (1) obligations of the United States government or any agency or instrumentality thereof maturing and becoming payable not more than three years from the date of purchase, or (2) repurchase agreements maturing and becoming payable within ninety days secured by U.S. Treasury obligations or obligations of U.S. government agencies or instrumentalities of any maturity, as provided by law.

The District had the following cash escrow accounts:

NOTE 4 – INTERFUND TRANSFERS:

Interfund transfers as of the year ended consisted of the following:

Transfers from the General fund:

*Special Revenue Fund*

To zero out Teacher’s Fund

Total transfers to Special Revenue Fund \$ 1,108,597

*Capital Projects Fund*

\$162,326 or 7% $\times$ SAT $\times$ WADA

Total transfers to Capital Projects Fund \$ 856,195

Total Transfers from the General Fund \$1,964,792

Transfers are used to (1) move receipts from the fund that statute or budget requires collecting them to the fund that statute or budget requires to expend them, (2) move receipts restricted to debt service from the funds collecting the receipts to the Debt Service Fund as debt service payments become due, and (3) use unrestricted receipts collected in the General Fund to finance various programs accounted for in other funds in accordance with budgetary authorizations.

NOTE 5 – RETIREMENT PLAN:

The District reports on the cash basis of accounting. Therefore, the District’s unfunded portion of the net pension liability is not reflected in the financial statements.

Public School Retirement System of Missouri (PSRS)

*Plan Description.* Public School Retirement System of Missouri (“PSRS”) is a mandatory cost-sharing multiple-employer retirement system for all full-time certificated employees and certain part-time certificated employees of all public school districts in Missouri (except the school districts of St. Louis and Kansas City) and all public community colleges. PSRS also includes certificated employees of PSRS, Missouri State Teachers’ Association, Missouri State High School Activities Association, and certain employees of the state of Missouri who elected to remain covered by PSRS under legislation enacted in 1986, 1987, and 1989. The majority of PSRS members are exempt from Social Security contributions. In some instances, positions may be determined not to be exempt from Social Security contributions. Any PSRS member who is required to contribute to Social Security comes under the requirements of Section 169.070 (9) RSMo, known as the “two-third’s statute.” PSRS members required to contribute to Social Security are required to contribute two-thirds of the approved PSRS contribution rate and their employer is required to match the contribution. The member’s benefits are further calculated at two-thirds the normal benefit amount. An Annual Comprehensive Financial Report (“ACFR”) can be obtained at <https://www.psr-peers.org>.

 NOTES TO THE FINANCIAL STATEMENTS  
 FOR THE YEAR ENDED JUNE 30, 2024

NOTE 5 – RETIREMENT PLAN: (Continued)

Public School Retirement System of Missouri (PSRS) (Continued)

*Benefits Provided.* PSRS is a defined benefit plan providing retirement, disability, and death/survivor benefits. Members are vested for service retirement benefits after accruing five years of service. A Summary Plan Description detailing the provisions of the plan can be found on PSRS’ website at <https://www.psr-peers.org>.

*Contributions.* PSRS members are required to contribute a percentage of their annual covered salary and the District is required to contribute a matching amount. The contribution requirements of members and the District are established and may be amended by the PSRS Board of Trustees. The District’s contributions to PSRS for the year ended were equal to the required contributions. The annual statutory increase in the total contribution rate may not exceed 1% of pay. The contributions for the last three fiscal years were as follows:

<u>Year Ended</u>	<u>Amount of Employer Contribution</u>	<u>Percentage of Contributions</u>
2024	\$ 1,384,171	14.5%
2023	\$ 1,372,604	14.5%
2022	\$ 1,283,914	14.5%

Public Education Employee Retirement System (PEERS)

*Plan Description.* The District also contributes to the Public Education Employee Retirement System (“PEERS”), a mandatory cost sharing multiple-employer retirement system for all public school district employees in Missouri (except the school districts of St. Louis and Kansas City), employees of the Missouri Association of School Administrators, and community college employees (except the Community College of St. Louis). Employees of covered districts who work 20 or more hours per week on a regular basis and who do not contribute to PSRS must contribute to PEERS. Certain part-time certified employees may be covered by this plan. Positions covered by PEERS are also covered by social security.

*Benefits Provided.* PEERS is a defined benefit plan providing service retirement and disability benefits to its members. Members are vested for service retirement benefits after accruing five years of service. Benefit provisions are set forth in Section 169.600-169.715 and 169.560-169.595, of the Missouri Revised Statutes. The Statutes assign responsibility for the administration of the system to the Board of Trustees of the PSRS of Missouri. PEERS issues a publicly available financial report that includes financial statements and required supplementary information. A Summary Plan Description detailing the provisions of the plan can be found on PEERS’ website at <https://www.psr-peers.org>.

 NOTES TO THE FINANCIAL STATEMENTS  
 FOR THE YEAR ENDED JUNE 30, 2024

NOTE 5 – RETIREMENT PLAN: (Continued)

Public Education Employee Retirement System (PEERS) (Continued)

*Contributions.* PEERS members are required to contribute a percentage of their annual covered salary and the District is required to contribute a matching amount. The contribution requirements of members and the District are established and may be amended by the PSRS Board of Trustees. The District's contributions to PEERS for the year ended were equal to the required contributions. The annual statutory increase in the total contribution rate may not exceed 0.5% of pay. The contributions for the last three fiscal years were as follows:

<u>Year Ended</u>	<u>Amount of Employer Contribution</u>	<u>Percentage of Contributions</u>
2024	\$ 319,392	6.86%
2023	\$ 284,627	6.86%
2022	\$ 261,453	6.86%

NOTE 6 – RISK MANAGEMENT:

The District is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; business interruptions; errors and omissions; natural disasters; employee injuries and illnesses; and employee health and accident benefits. Commercial insurance coverage is purchased for claims arising from such matters other than employee health benefits. Settled claims have not exceeded this commercial coverage in any of the three preceding years.

NOTE 7 – CONTINGENCIES:

Grant Audit – The District receives Federal grants and State funding for specific purposes that are subject to review and audit. These reviews and audits could lead to requests for reimbursement or to withholding of future funding for expenditures disallowed under or other noncompliance with the terms of the grants and funding. The District is not aware of any noncompliance with Federal or State provisions that might require the District to provide reimbursement.

Litigation – Various claims and lawsuits are possible against the District. In the opinion of District management, the potential loss on all claims and lawsuits will not be significant to the District's financial statements.

NOTE 8 – TEACHERS' SALARIES:

Payroll checks written and dated in June, for July and August 2024 payroll from 2023-24 contracts, are included in the financial statements as disbursements paid in the month of June. This practice has been consistently followed in previous years.

ELDON R-I SCHOOL DISTRICT  
 NOTES TO THE FINANCIAL STATEMENTS  
 FOR THE YEAR ENDED JUNE 30, 2024

NOTE 9 – OTHER POST-EMPLOYMENT BENEFITS:

The District provides health insurance benefits to its retirees on a reimbursable basis. The cost of the insurance premium is charged to the retirees at the same cost as active employees. This situation causes an implicit premium subsidy for the difference the retirees would have to pay for similar insurance coverage and the actual amount of their premiums. This implicit premium subsidy represents an unfunded obligation to the District. This obligation has not been valued or reported because the District reports its financial activity using the cash basis of accounting.

NOTE 10 – TAXES:

Property taxes attach as an enforceable lien on property as of January 1. Taxes are levied on November 1 and payable by December 31. The county collects the property taxes and remits them to the District on a monthly basis. All unpaid taxes become delinquent January 1, of the following year.

The District also receives sales tax collected by the State of Missouri and remitted based on eligible pupil counts. The District is required to reduce its property tax levy by one-half the amount of sales tax estimated to be received in the subsequent calendar year. The District elected a full waiver of the rollback as of the year ended.

The assessed valuation of the tangible property for calendar year 2023, for the purposes of local taxation, was as follows:

Miller County	\$133,796,397
Morgan County	93,383,592
Moniteau County	<u>1,017,366</u>
Total	<u>\$228,171,797</u>

The tax levy per \$100 of the assessed valuation of tangible taxable property for the calendar year 2023, for purposes of local taxation was:

	<u>Unadjusted</u>	<u>Adjusted</u>
General Fund	\$ 3.1539	\$ 3.1539
Debt Service Fund	<u>0.5731</u>	<u>0.5731</u>
TOTAL	<u>\$ 3.7270</u>	<u>\$ 3.7270</u>

The receipts of current and delinquent property taxes during the fiscal year ended aggregated approximately 100% for Miller County; 99% for Morgan County; and 100% for Moniteau County, of the current assessment computed on the basis of the levy shown above.

NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED JUNE 30, 2024

NOTE 11 – TAX ABATEMENTS:

The Eldon School District is subject to four projects through which tax abatements are provided: *Industrial Development Project*. This project authorizes cities, counties towns and villages to issue industrial development revenue bonds to finance the purchase, construction, extension and improvement of warehouses, distribution facilities, research and development facilities, office industries, agriculture processing industries, service facilities that provide interstate commerce, industrial plants and other commercial facilities.

The Board of Alderman of Eldon, Missouri (the “City”) issued taxable development revenue bonds in aggregate principle amounts not to exceed \$7,500,000 (the “2014 Bonds”) to finance the costs of an industrial development project for Johnson Controls, Inc. The 2014 Bonds are authorized by the provisions of Sections 100.010 to 100.200 of the Revised Statutes of Missouri, as amended, and Article VI, Section 27(b) of the Missouri Constitution, as amended.

The Board of Alderman of Eldon, Missouri (the “City”) issued taxable development revenue bonds in a principal amount not to exceed \$80,000,000 (the “2018 Bonds”) to finance the cost of a proposed industrial development project for the benefit of Quaker Window Products Co. The 2018 Bonds are authorized by the provision of Sections 100.010 to 100.200 of the Revised Statutes of Missouri, as amended, and Article VI, Section 27 (b) of the Missouri Constitution, as amended.

*Eldon Assisted Living Chapter 353 Development Plan:* This plan provides for real property tax abatement for the Redevelopment Project pursuant to Section 353.110, RSMo. The Eldon Assisted Living Redevelopment Corporation (the Corporation), in an effort to remediate the blighting conditions currently burdening the Redevelopment Area, promote redevelopment of an aging vacant industrial building, maximize the use of and update existing public infrastructure, including create new construction and health care employment, the Development Plan proposes rehabilitation of a vacant industrial building to establish a 48-bed assisted living facility with 12 units of memory care and appurtenant private and public infrastructure improvements, including parking lots, street improvements, water system and sanitary sewer facilities (the “Redevelopment Project”).

The Board of Alderman of Eldon, Missouri (the “City”) enacted into law Ordinance No. 2017-46 approving the Eldon Assisted Living Chapter 353 Redevelopment Area Plan. Property tax abatement is equal to 100% for the first ten (10) years and 50% for the next fifteen (15) years. After a period totaling twenty-five (25) years, the real property will be subject to payment of all *ad valorem* taxes.

NOTE 11 – TAX ABATEMENTS: (Continued)

For the ended, the District abated taxes as follows:

Tax Abatement Project	Amount Abated During the Year
Industrial Development Project (2014 Bonds)	\$ 6,284
Industrial Development Project (2018 Bonds)	\$ 48,099
Eldon Assisted Living Chapter 353 Development Plan Taxable Industrial Revenue Bonds	\$ 20,558
(Quaker Window Products Co. Project)	\$ 392,047

NOTE 12 – CONSTRUCTION COMMITMENTS:

The District had uncompleted construction contracts in the capital projects fund. The remaining commitment on these construction contracts was approximately \$1,422,894.

NOTE 13 – EVALUATION OF SUBSEQUENT EVENTS:

The District has evaluated subsequent events through November 14, 2024, the date which the financial statements were available to be issued.

ELDON R-I SCHOOL DISTRICT  
NOTES TO THE BUDGETARY COMPARISON SCHEDULES  
FOR THE YEAR ENDED JUNE 30, 2024

Budget Law

The District follows these procedures in establishing the budgetary data reflected in the financial statements:

1. In accordance with Section 67, RSMo, the District adopts a budget for each fund of the political subdivision.
2. Prior to July, the Assistant Superintendent, who serves as the budget officer, submits to the Board of Education a proposed budget for the fiscal year beginning on the following July 1. The proposed budget includes estimated receipts and proposed disbursements for all District funds. Budgeted disbursements cannot exceed beginning available monies plus estimated receipts for the year.
3. A public hearing is conducted to obtain taxpayer comments. Prior to its approval by the Board of Education, the budget document is available for public inspection.
4. Prior to July 1, the budget is legally enacted by a vote of the Board of Education.
5. Subsequent to its formal approval of the budget, the Board of Education has the authority to make necessary adjustments to the budget by formal vote of the Board of Education. Adjustments made during the year are reflected in the budget information included in the financial statements.
6. Budgeted amounts are as originally adopted or as amended by the Board of Education.
7. Budgets for district funds are prepared and adopted on the cash basis (budget basis), recognizing receipts when collected and disbursements when paid. Budgets lapse at year end.

**BASIS OF PRESENTATION:**

The Schedule of Expenditures of Federal Awards (the "Schedule") includes the federal award activity of the District under programs of the federal government as of the year ended. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the District, it is not intended to and does not present the financial position or change in financial position of the District.

**SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Expenditures reported on the Schedule are reported on the cash basis of accounting. Such expenditures are recognized following the cost principles contained in the *Uniform Guidance*, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on the Schedule represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years. The District has not elected to use the 10 percent de minimis indirect cost rate as allowed under the *Uniform Guidance*.

**FOOD DISTRIBUTION:**

Non-monetary assistance is reported in the Schedule at the fair market value of the commodities received and disbursed. As of the year ended, the District had food commodities of \$19,997, in inventory.

INDEPENDENT AUDITOR’S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Education of the  
Eldon R-I School District  
Eldon, Missouri:

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities and each major fund of the Eldon R-I School District (the “District”), as of and for the year ended June 30, 2024, and the related notes to the financial statements, which collectively comprise the District’s basic financial statements, and have issued our report thereon dated November 14, 2024.

*Report on Internal Control over Financial Reporting*

In planning and performing our audit of the financial statements, we considered the District’s internal control over financial reporting (“internal control”) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the District’s internal control. Accordingly, we do not express an opinion on the effectiveness of the District’s internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. We identified a certain deficiency in internal control, described in the accompanying Schedule of Findings and Responses as item 2024-001, that we consider to be a significant deficiency.

#### *Report on Compliance and Other Matters*

As part of obtaining reasonable assurance about whether the District's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### *The District's Response to Findings*

*Government Auditing Standards* requires the auditor to perform limited procedures on the District's response to the findings identified in our audit and described in the accompanying Schedule of Findings and Responses. The District's response was not subjected to the other auditing procedures applied to the audit of the financial statements and, accordingly, we express no opinion on the response.

#### *Purpose of this Report*

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR’S REPORT ON COMPLIANCE FOR EACH MAJOR  
PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY  
THE UNIFORM GUIDANCE

To the Board of Education of the  
Eldon R-I School District  
Eldon, Missouri:

Report on Compliance for Each Major Federal Program

*Opinion on Each Major Federal Program*

We have audited the Eldon R-I School District’s (the “District”) compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of the District’s major federal programs for the year ended June 30, 2024. The District’s major federal programs are identified in the summary of auditor’s results section of the accompanying Schedule of Findings and Responses.

In our opinion, the District complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2024.

*Basis for Opinion on Each Major Federal Program*

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (“*The Uniform Guidance*”). Our responsibilities under those standards and *The Uniform Guidance* are further described in the Auditor’s Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the District and to meet our other ethical requirements, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the District’s compliance with the compliance requirements referred to above.

### *Responsibilities of Management for Compliance*

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the District's federal programs.

### *Auditor's Responsibilities for the Audit of Compliance*

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the District's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and *The Uniform Guidance* will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgement made by a reasonable user of the report on the compliance about the District's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and *The Uniform Guidance*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the District's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the District's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with *The Uniform Guidance*, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

*Report on Internal Control Over Compliance*

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of *The Uniform Guidance*. Accordingly, this report is not suitable for any other purpose.

SECTION II – FINANCIAL STATEMENTS FINDINGS:

SIGNIFICANT DEFICIENCY

2024-001: Segregation of Duties (Resubmitted)

Criteria: Duties should be segregated so that no one employee has access to both physical assets and the related accounting records, or to all phases of a transaction. The District has mitigating controls in place, but it is not possible to have segregation in all areas.

Condition: As in many smaller to medium-sized organizations, it is difficult to obtain proper segregation of duties due to the limited number of employees.

Effect: Due to the limited number of employees, the District might not prevent, or detect and correct, misstatements on a timely basis in the normal performance of duties.

Recommendation: We recognize that because of limited resources and personnel, management may not be able to achieve a proper segregation of duties. However, professional standards require that we bring this lack of segregation of duties to your attention. We recommend management continue to review these processes accordingly to optimize the functionality of internal controls.

Response: The District recognizes that the limited number of employees prohibits proper segregation of duties in all areas. The District will continue to review these processes accordingly to optimize the functionality of internal controls.

SECTION III – FEDERAL AWARD FINDINGS:

No matters were reported.

INDEPENDENT ACCOUNTANT’S REPORT ON MANAGEMENT’S  
ASSERTIONS ABOUT COMPLIANCE WITH SPECIFIED  
REQUIREMENTS OF MISSOURI LAWS AND REGULATIONS

To the Board of Education of the  
Eldon R-I School District  
Eldon, Missouri:

We have examined Eldon R-I School District’s (the “District”) compliance with the requirements of Missouri laws and regulations regarding budgetary and disbursement procedures; accurate disclosure of the District’s attendance hours, standard day length, resident membership on the last Wednesday of September, pupil transportation records of the average daily transportation of pupils eligible and ineligible for state aid, the number of miles eligible and ineligible for state aid, and other statutory requirements as listed in the Schedule of Selected Statistics during the year ended June 30, 2024. Management of the District is responsible for the District’s compliance with the specified requirements. Our responsibility is to express an opinion on the District’s compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants, and those standards require that we plan and perform the examination to obtain reasonable assurance about whether the District complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the District complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgement, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that our examination provides a reasonable basis for our opinion.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the examination engagement.

Our examination engagement does not provide a legal determination on the District’s compliance with the specified requirements.

In our opinion, the District complied, in all material respects, with the aforementioned requirements for the year ended June 30, 2024.

This report is intended solely for the information and use of the Board of Education, District management, and the Missouri Department of Elementary and Secondary Education and is not intended to be, and should not be, used by anyone other than these specified parties.
