# Eldon R-1 School District MORENet/Internet Access User Agreement

MORENet access is now available to students and staff in the Eldon R-1 District. We are pleased to bring this access to Eldon Public Schools and believe this access offers vast, diverse and unique resources to both students and teachers. Our goal is providing this service to teachers and students is to promote educational excellence in Eldon Schools by facilitating resource sharing, innovation, and communication.

MORENet is an electronic network which accesses the Missouri Department of Education, library systems, and the Internet. The Internet is an electronic highway connecting thousands of computers all over the world and millions of individual subscribers. Through classroom activities, teachers and librarians will provide students with access to:

- Electronic mail communication
- Information and news from NASA and other research institutions and organizations
- Public domain and shareware of all types
- Discussion groups on a wide range of topics
- Access to many library services; university library catalogs; the Library of Congress; ERIC; and periodical databases

With access to computers and people all over the world also comes the availability of materials that may not be considered to be of educational value in the context of the school setting. Search strategies and supervised access will be utilized as precautions to restrict access to controversial materials. Student access to electronic mail and chat rooms will be under direct teacher supervision. We (Eldon R-1 Schools) believe that the valuable information and interaction available far outweighs the possibility that users may procure material that is not consistent with the educational goals of Eldon R-1.

The Eldon R-1 School District is responsible for securing its network and computing systems in a reasonable and economically feasible degree against unauthorized access and/or abuse, while making them accessible for authorized and legitimate users. This responsibility includes informing users of expected standards of conduct and the punitive measures for not adhering to them. Any attempt to violate the provisions of this policy will result in cancellation of user privileges and disciplinary action, regardless of the success or failure of the attempt. A user is required to use network resources in an efficient, ethical, and legal manner. Your signature on the attached contract is legally binding and indicates that you have read the terms and conditions carefully and understand their significance.

## Guidelines and Conditions:

- 1) **Acceptable Use:** The purpose of MORENet, which is the backbone network to our Internet access, is to support research and education in and among academic institutions in the U.S. providing access to unique resources and the opportunity for collaborative work. Transmission of any material in violation of any U.S. or state regulation is prohibited. This includes, but is not limited to: copyrighted material, threatening or obscene material, or material protected by trade secret. Use for private/commercial activities by for-profit institutions is generally not acceptable. Use for product advertisement or political lobbying is also prohibited. Illegal activities are strictly prohibited.
- 2) **Privileges:** The use of MORENet access is a privilege, not a right, and inappropriate use will result in a cancellation of these privileges. Based upon the acceptable use guidelines outlined in this document, the system administrator may deny access at any time as required. The administrators, faculty and staff of the Eldon R-1 District may request the system administrator to deny, revoke or suspend specific user access.

- 3) **Netiquette:** You are expected to abide by the generally accepted rules or network etiquette. These include, but are not limited to, the following:

  - 3.5 All communications and information accessible via the network should be assumed to be private property.
  
- 4) **Implied:** The Eldon R-1 District will not be responsible for any damages you suffer. This includes loss of data resulting from delays, non-deliveries, mis-deliveries, or service interruptions caused by negligence, errors, or omissions. Use of any information obtained via MORENet/Internet is at your own risk. While efforts are made to guarantee accuracy in informational databases, we do not guarantee accuracy of all material or agree with every opinion.
  
- 5) **Security:** Security of any computer system is of high priority. Attempts to log into the system as any other user will result in cancellation of user privileges. Any user identified as a security risk or having a history of problems with computer systems may be denied access to the MORENet system.
  
- 6) **Electronic Mail:** Whenever you send electronic mail, your name and user id are included in each mail message. Student use of electronic mail requires direct teacher supervision during individual and group use. Therefore:

  - 7.8 The willful introduction or computer "viruses" or other disruptive/destructive programs into the organization network or into external networks is prohibited.
  
- 8) **Vandalism:** Vandalism will result in cancellation of privileges. Vandalism is defined as any malicious attempt to harm or destroy data of another user, damage to equipment or software, and interference with MORENet and local network services.

# Drop-Off-and-Pick-Up-Procedures.

We are excited to begin the school year with such a remarkable group of students, parents, and staff! Our school believes that communication is the key to success for our students and families.

Parents that plan to drop off their student(s) at school, please note the main doors will not open until 8:00 a.m. Parents will pull into the parking lot on the south side of the school off of 15th Street and proceed down the right hand lane only. As parents approach the front door, they will see a sign stating where to drop off students. Two cars will unload at a time to help expedite the process. Only have your student(s) exit the car when you are pulled up to the designated drop-off points. There will be staff and administration outside to help with students exiting vehicles safely and to answer additional questions. Parents that plan on dropping their student(s) off for AM LEAP need to register with the LEAP office.

For safety reasons, parents will not be permitted past the front doors. We assure you that we have adequate staff available to walk students to their correct locations within the building.

Parents that plan on picking up their student(s) from school at dismissal, **please note the doors will open at precisely 3:20 p.m. Monday, Tuesday, Thursday, and Friday. On Wednesday, the doors will open at 2:20 p.m. for early dismissal.** Parents will park in the front parking lot or across the street in the gravel. The gymnasium doors will open at the designated times and students will be seated in lines alphabetically by last name. For their safety, students may not get up from their line until a parent has signed them out.

Please be patient with South Elementary staff the first few weeks of school, as we will be working with parents to master the procedure of dropping off and picking up students.
